

Can I come to the University?

Answer these five questions before you come to the University to teach, learn, study or work.

Corona Check

You are welcome to come to the University!

Only come in for scheduled teaching, reserved study spaces or work (with your manager's permission).

Keep to the [Campus Protocol](#), and follow the signs in the buildings.

Tip: take a self-test twice a week, at least on the days when you come to the University. You can order self-tests via zelftestonderwijs.nl. Talk to your manager/study adviser if you (or a housemate) belong to a high-risk group and are concerned about coming to the campus.
