

Account Services

Vernieuwde versie 2017 (bladzijde 1-3)

New version 2017 (page 4-7)

Nederlands

1 Inleiding

Account Services is de Single Sign On omgeving van de Universiteit Leiden. Met Single Sign On logt u slechts één keer in en krijgt u toegang tot de Self Service voorzieningen voor het beheer van uw ULCN account. Single Sign On geldt ook voor de via SURFconext aangeboden externe toepassingen, zoals SURFspot en Van Dale Online.

Medio december 2017 wordt Account Services vernieuwd. Dit document beschrijft de verschillen tussen de huidige en de nieuwe situatie.

2 URL

De URL van Account Services is op dit moment: <https://uaccess.leidenuniv.nl/>. Deze locatie verandert in de volgende URL: <https://account.services.universiteitleiden.nl>.

Indien u gebruik maakt van de oude URL wordt u automatisch doorgezet naar de nieuwe omgeving.

Account Services

New version 2017

English

1 Introduction

Account Services is the Single Sign On environment of Leiden University. Using Single Sign On allows you to log in once and subsequently access Self Service facilities to manage your ULCN account and all services connected to Account Services. Single Sign On also applies to applications made available via SURFconext, like SURFspot and Van Dale Online.

Account Services will be renewed in mid-December 2017. This document describes the changes by comparing the new situation with the old situation.

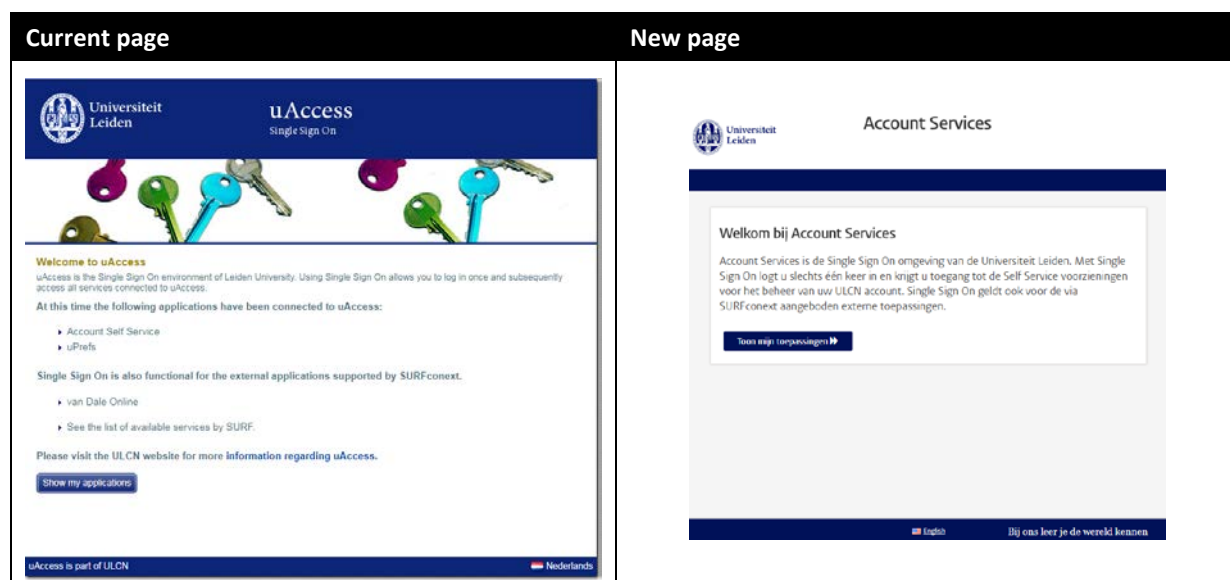

2 URL

The current URL of Account Services is: <https://uaccess.leidenuniv.nl/>.

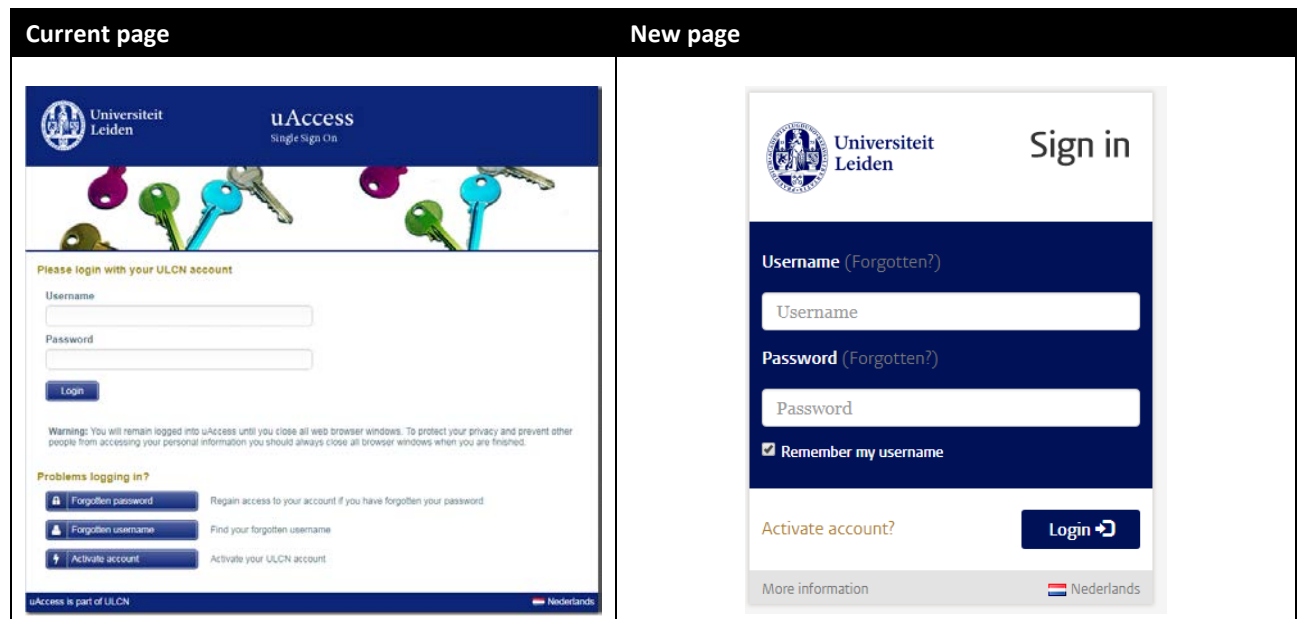

The new URL is: <https://account.services.universiteitleiden.nl/>.

In case you use the old URL you will be redirected to the new URL.

4 Login screen

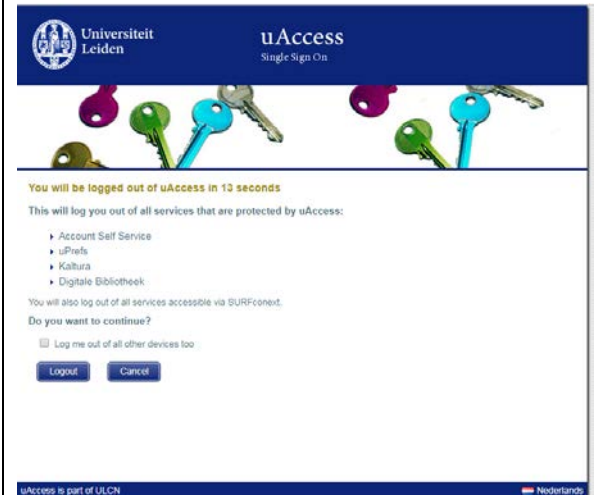

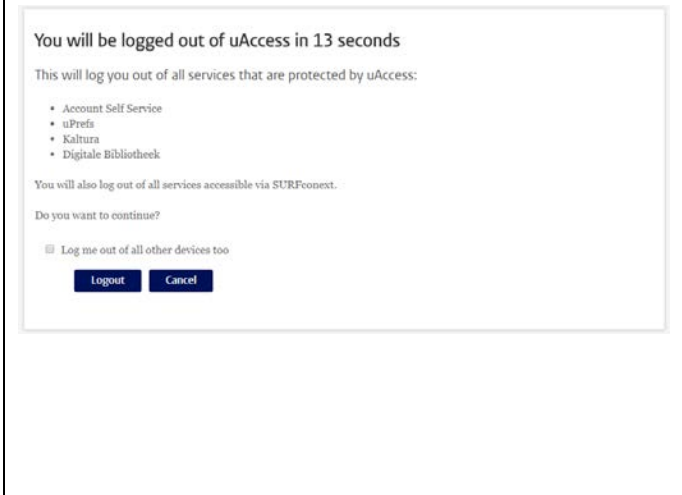

5 Main page after login

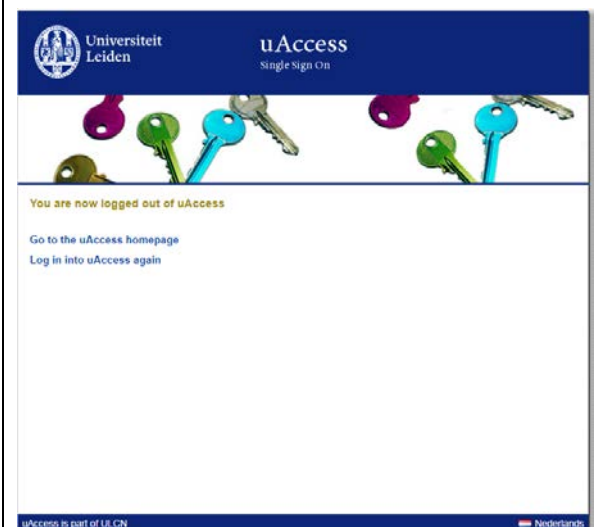

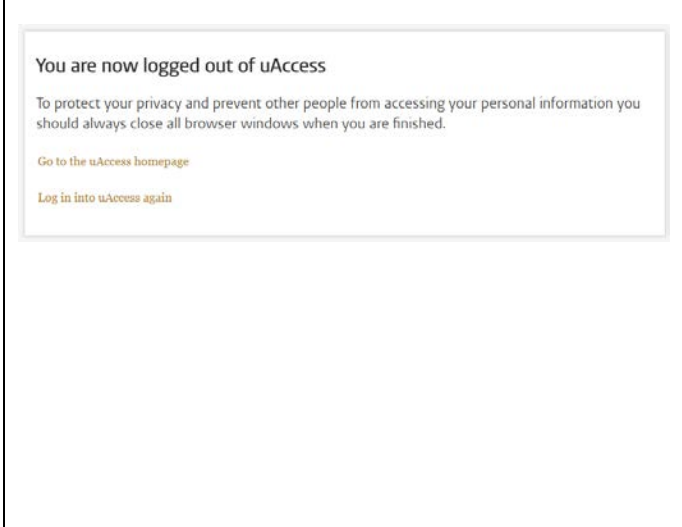

The most significant adjustment is that all options in Account Self Service (like Change My Password and Set information for password recovery) are now accessible directly through tiles in the main menu.

The options shown may differ from the example.
