

Programme application form MA/MSc Archaeology

Name:	Student ID:	Start master:
-------	-------------	---------------

What is your first choice of specialization? You will do your thesis or graduation project in the context of your specialization. Within your chosen Master programme you can compose part of your programme to best fit your area of interest or expertise. You can do this in consultation with the study advisers of the programme once you are admitted to the programme.

- Heritage and Museum Studies
- Global Archaeology
- Applied Archaeology
- Archaeological Sciences

Briefly substantiate your choice for this specialization:
