

## V. Notes from the Editor

### A Word of Appreciation for Our External Peer Reviewers from the Editorial Team

*Perspectives on Terrorism* is the product of volunteer efforts – academics, professionals and practitioners – who for nine consecutive years have been giving their time and providing their expertise to keep this free online journal alive and even increasing in circulation to more than 5,800 subscriptions. While the main burden of producing six issues per year rests on the shoulders of the Editorial Team and those of the Editorial Board members, there are many others who assist us in bringing out timely articles and research notes.

The seven Editorial Team members and the twenty Editorial Board members alone would not be able to handle and review the growing number of articles that reach us now on an almost daily basis. We could not deal with this volume of submissions without the selfless help of our esteemed external reviewers. Once a year we wish to thank them publicly by listing their names.

For reviewing article submitted to *Perspectives on Terrorism* in 2015, we wish to thank the individuals listed in the following table.
