
Announcement:**Award for Best Ph.D. Thesis 2016 -
31 March 2017 Deadline for Submissions Approaching Fast**

The Terrorism Research Initiative (TRI) seeks to enhance the quality of research in the field of Terrorism Studies. For this purpose, it has established an Annual Award for the Best Doctoral Dissertation on Terrorism and Counter-Terrorism. Among the incoming submissions of Ph.D. theses, the TRI Award jury identifies three finalists and from these the winner. The Award for the best thesis submitted in 2013 went to Dr. Tricia Bacon (American University, Washington, D.C., USA); the winner of the 2014 Award was Dr. Anneli Botha (Institute for Security Studies, Pretoria, South Africa), while the 2015 Award went to Dr. Erin Miller (START, University of Maryland).

With the present announcement, a call is being made for sending to the jury Ph.D. theses submitted or defended at an academic institution in the year 2016. Doctoral theses in the field of terrorism- and counter-terrorism studies can be submitted either by the author or by the academic supervisor. Theses should be sent in electronic form as a Word document to the chairman of the jury, Alex P. Schmid, at < apschmid@terrorismanalysts.com >, together with a cover letter (1-3 pp.), highlighting the merits of the submitted Ph.D. thesis. Submissions must be in English (or translated into English).

The deadline for entries is **31 March, 2017**. The TRI Award jury—consisting of Prof. Edwin Bakker, Prof. Clark McCauley, Prof. James Forest and Prof. em. Alex P. Schmid—will evaluate and compare the submissions, based on criteria such as originality in terms of introducing new data, theory or methodology, novelty and uniqueness of findings as well as degree of in-depth research.

The chairman of the jury will inform the three finalists identified by the jury's evaluation process before the end of July 2017. The winner among them will be announced during the summer of 2017 and can expect an Award of US \$1,000 plus a certificate of achievement, signed by the President of the Terrorism Research Initiative, Robert Wesley, acknowledging the granting of the TRI thesis Award. The other two finalists will receive a certificate of achievement. For all three finalist theses, TRI will assist the authors in finding a publisher for their theses. The winner of the 2017 TRI Award will also be invited to submit an article for publication in *Perspectives on Terrorism*, summarizing the winning thesis' main findings.
