Abstract

This bibliography contains doctoral dissertations (Ph.D.) and Master (MA) Theses on issues relating to countering violent extremism, preventing violent extremism, and terrorism prevention. Titles were retrieved manually by browsing the Open Access Theses and Dissertations (OATD) database, using the broad search term 'terrorism', 'terrorisme', 'terrorismo', and 'Terrorismus', as well as the narrow search term 'countering violent extremism', 'preventing violent extremism', and 'counterterrorism'. More than 8,900 entries were evaluated, of which 475 were ultimately selected for this list. All theses are open source. However, readers should observe possible copyright restrictions. The title entries are 'clickable', allowing access to full texts.

Keywords: bibliography, theses, terrorism, extremism, prevention, countering violent extremism

Bibliographic entries are divided into two thematic sections:

1. Programs, Strategies, Tactics, and Operations
2. Policy, Legislation, Law, and Prosecution
