

## 60+ Academic Theses (Ph.D. and MA) on Victims of Terrorism, Violent Extremism, and Political Violence, written in English between 2003 and 2019

Compiled and selected by Ryan Scrivens

### Abstract

This bibliography contains doctoral dissertations (Ph.D.) and Master (MA) Theses on issues relating to victims of violent extremism and terrorism. Titles were retrieved manually by browsing the Open Access Theses and Dissertations (OATD) database using various combinations of search terms, including – but indeed not limited to – ‘victims of terrorism’, ‘victims of violent extremism’, ‘survivors of terrorism’ and ‘survivors of violent extremism’. More than 1,100 entries were evaluated, of which 64 were ultimately selected for this list. All theses are open source. However, readers should observe possible copyright restrictions. The title entries are ‘clickable’, allowing access to full texts.
