

About *Perspectives on Terrorism*

Perspectives on Terrorism (PoT) is a joint publication of the Terrorism Research Initiative (TRI), headquartered in Vienna, Austria, and the Institute of Security and Global Affairs (ISGA) of Leiden University, Campus The Hague. PoT is published six times per year as a free, independent, scholarly peer-reviewed online journal available at the following URL: <https://www.universiteitleiden.nl/perspectives-on-terrorism>.

PoT has over 9,200 subscribers and seeks to provide a platform for established scholars as well as academics and professionals entering the interdisciplinary fields of Terrorism, Political Violence and Conflict Studies. The editors invite researchers and readers to:

- present their perspectives on the prevention of, and response to, terrorism and related forms of violent conflict;
- submit to the journal accounts of evidence-based, empirical scientific research and analyses on terrorism;
- use the journal as a forum for debate and commentary on issues related to the above.

Perspectives on Terrorism has sometimes been characterised as ‘non-traditional’ in that it dispenses with some of the rigidities associated with commercial print journals. Topical articles can be published at short notice and reach, through the Internet, a much larger audience than subscription-fee based paper journals. Our online journal also offers contributors a higher degree of flexibility in terms of content, style and length of articles – but without compromising professional scholarly standards. The journal’s Research Notes, Special Correspondence, Op-Eds and other content are reviewed by members of the Editorial Team, while its Articles are peer-reviewed by outside academic experts and professionals.

While aiming to be policy-relevant, PoT does not support any partisan policies regarding (counter-) terrorism and waging conflicts. Impartiality, objectivity and accuracy are guiding principles that we require contributors to adhere to. They are responsible for the content of their contributions and retain the copyright of their publication.
