

Bibliography: Rebel Governance

Compiled and selected by David Teiner, Marta Furlan, Ayse D. Lokmanoglu, and Brody McDonald

Abstract

This bibliography contains books, edited volumes, journal articles, book chapters, theses, grey literature, and other resources on rebel governance, which refers to the informal takeover of state authority and political-administrative activities by insurgent non-state actors. The publications compiled herein represent the major thematic fields of research on rebel governance, covering political-administrative institutions of rebel groups, interventions in the economy, civilian life under, and responses to, rebel rule, provision of social services, the enhancement of perceived legitimacy, rebel diplomacy, and symbolic governance. Considering the multidisciplinary nature of this field of study, this bibliography should not be considered exhaustive but offers a useful insights into the constantly evolving research on rebel governance.

Keywords: Rebel governance, insurgent non-state actors, proto-states, civilian responsiveness, rebel diplomacy

NB: All websites were last visited on 11.08.2021 – See also Note for the Reader at the end of this literature list.

Note for the Reader

Whenever retrievable, URLs for freely available versions of subscription-based publications have been provided. In some cases, articles may only be cited after obtaining permission by the author(s).

About the Compilers:

David Teiner is a Teaching Fellow in International Relations and Foreign Policy at Trier University and Assistant Editor for Information Resources at Perspectives on Terrorism. His research focuses on rebel governance, political

violence, and conflict interventions by international organizations. Twitter: @DavidTeiner. ORCID: 0000-0003-2635-6972.

Marta Furlan is a PhD candidate at the Handa Centre for the Study of Terrorism and Political Violence at the University of St Andrews, where she is completing her thesis on governance by Salafi-Jihadist insurgents in Iraq, Syria, and Yemen. Her academic publications have appeared in *Studies in Conflict & Terrorism and Civil Wars* among others. She is currently a researcher for Yemen and Syria at Geneva Call in the context of the Generating Respect Project.

Ayse D. Lokmanoglu is a Post-Doctoral Fellow in the Center for Communication & Public Policy at Northwestern University. Her work focuses on malign digital campaigns (hate speech, extremism, disinformation) and utilizes qualitative and quantitative approaches to examine harmful narratives and messaging campaigns. Twitter: @aysed_9. ORCID: 0000-0003-1699-2684.

Broderick McDonald is a Doctoral Student at the University of Oxford where he researches political violence, conflict, and technology. He is an Associate Fellow with the Global Network on Extremism and Technology (GNET) and a Research Affiliate of the Canadian Network on Terrorism, Security and Society (TSAS). He previously served as a Policy Advisor to the Government of Canada and as a Fellow with the United Nations Alliance of Civilizations (UNAOC).
