This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, and other resources, including other bibliographies, on Al-Qaeda and its affiliated organizations. To keep up with rapidly changing political events, the most recent publications have been prioritized during the selection process. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text and reference retrieval systems have been employed to broaden the search.

Keywords: bibliography, resources, literature, Al-Qaeda; affiliates; franchises; branches; AQC; AQAP; AQIM; AQIS; AQI; Osama bin Laden; Ayman al-Zawahiri
