

Bibliography: Hostage Takings and Extrajudicial Executions

(Part 1)

Compiled and selected by Judith Tinnes

[Bibliographic Series of Perspectives on Terrorism - BSPT-JT-2021-6]

Abstract

This bibliography contains journal articles, book chapters, books, edited volumes, theses, grey literature, bibliographies and other resources on hostage takings and extrajudicial executions. While focusing on recent literature, the bibliography is not restricted to a particular time period and covers publications up to November 2021. It should not be considered as exhaustive. The literature has been retrieved by manually browsing more than 200 core and periphery sources in the field of Terrorism Studies. Additionally, full-text and reference retrieval systems have been employed to broaden the search.

Keywords: bibliography; resources; literature; hostage takings; kidnappings; abductions; barricade situations; hijackings; extrajudicial executions; beheadings

NB: All websites were last visited on 13.11.2021. - See also Note for the Reader at the end of this literature list.

Whenever retrievable, URLs for freely available versions of subscription-based publications (e.g., self-archived manuscripts in institutional repositories, on professional networking sites, or author homepages) have been provided. Please note, that the content of such Green Open Access documents is not necessarily identical to the official publisher versions (e.g., in case of preprints); it might therefore not have passed through all editorial phases publishers employ to ensure quality control (peer review, copy and layout editing etc.). In some cases, articles may only be cited after obtaining permission by the author(s).
