3. The participants at an event are themselves responsible for organising their travel, accommodation and visa and for the related costs unless an alternative agreement has been made with Leiden University.

Cancelling events for which a fee has been paid

Liability

8. Participation is at your own risk. Leiden University is not liable for any damage, in any form whatsoever, that a Participant may suffer as a consequence of participation, unless this damage is the direct consequence of deliberate action or gross negligence attributable to Leiden University. This exclusion of liability also applies in the event of serious forms of damage, such as all kinds of damage resulting from injury or death.

10. The participant releases Leiden University from liability against damage that third parties may suffer as a consequence of any action or negligence attributable to a Participant relating to the event. The Participant must be adequately insured against the risk of liability for such damage.
11. The Participant releases Leiden University from liability for damage that the Participant may suffer as a consequence of his participation in the Event, unless this damage is the direct consequence of deliberate action or gross negligence attributable to Leiden University.
