

Studium Generale (the public lecture department of Leiden University) presents

Veils and Veiling

**A Lecture on the History of the Veiling of Women
Including a Demonstration of the Wearing of Veils
(in English)**

During this lecture, **Dr. Gillian Vogelsang-Eastwood**, director of the Textile Research Centre, Leiden, and a specialist in Near Eastern dress will speak about the history of the veiling of women and the different types of veils and face veils currently being worn.

**26th of May, 7.30 pm
LAKtheater
Lipsius building (1175)
Cleveringaplaats 1
Leiden**

Entrance is free!

The lecture is part of the **Week of Diversity**, organized by Leiden University from May 25 to May 29. For more information on the other activities taking place in that week, please visit: www.weekofdiversity.leiden.edu
