Have you got a taste for artistic or design research? Are you thinking of continuing with more in-depth investigations after your master's, but not sure about how and where to apply for a third-cycle research trajectory?

Then we kindly invite you to the pre-PhD meeting on 7 February at the Gipsenzaal of the KABK, where you will receive more information on PhD-trajectories, how to prepare and and apply, and PhD-students from KABK, KC and ACPA will share their experiences and insights.

This meeting will be hosted by the lectorate 'Design and the Deep Future', headed by Alice Twemlow (Royal Academy of Art The Hague), the lectorate 'Music, Education and Society', headed by Paul Craenen (Royal Conservatoire The Hague) and the Academy of Creative and Performing Arts (ACPA), Leiden University.

If you would like to attend the meeting, please let us know by sending an e-mail to lectoratedesign@kabk.nl. And, if you have any specific questions you would like addressed in the meeting, feel free to let us know in advance.
