

Niels Olaf Schiller

Curriculum Vitae

Table of contents:

- Personal details
- Academic training
- Academic degrees
- Employment
- Visiting researcher abroad
- Organization of workshops, symposia, & conferences
- Membership in professional organizations
- Editorial work
- Ad-hoc reviewing for journals
- Grant reviewing
- External activities
- Esteem factors
- Publications
 - Five key publications
 - Peer-reviewed journal articles
 - Book chapters
 - Books & edited volumes
- Talks
 - Invited talks and keynote lectures
 - Papers presented at conferences
 - Posters presented at conferences
- Grants, prizes, stipends, and honorary appointments
- Teaching
- Supervision of BA and MA students
- PhD students
- Membership in dissertation committees and other juries

Personal details

Name: Niels Olaf Schiller

Nationalities: German & Dutch

Date of birth: 08 April 1969

Marital status: married; two daughters

Addresses: Leiden University Centre for Linguistics (LUCL) &
Leiden Institute for Brain and Cognition (LIBC)
Faculty of Humanities
Leiden University
Van Wijkplaats 4
2300 RA Leiden

&

Cognitive Psychology
Department of Psychology
Faculty of Social Sciences
Leiden University
Wassenaarseweg 52
2333 AK Leiden

The Netherlands

Private address: Bakkersteeg 11
2311 RH Leiden
The Netherlands

Telephone: ++31-71-527-2125 (work)

Skype: niels.schiller

Twitter: @nielsschiller

Email-Address: n.o.schiller@hum.leidenuniv.nl

Homepage: <http://www.nielsschiller.nl>

Academic training

- 1998-2000** Post-doctoral training at the Cognitive Neuropsychology Laboratory, Faculty of Psychology, Harvard University (Cambridge, MA, USA)
- 1998-1999** GAAC summer institute "The Evolution of Intelligence: The Comparative Analysis of Cognition" (Boston, USA & Bielefeld, Germany)
- 1994-1997** PhD at the Max Planck Institute for Psycholinguistics, Nijmegen, The Netherlands
- 1997** ESCoP summer school "Psychology of Language" (Bressanone, Italy)
- 1996-1997** European Postgraduate Diploma in Cognitive Sciences (SISSA; Trieste, Italy)
- 1996** Nijmegen Institute for Cognition and Information (NICI) Postgraduate Trainee program
- 1995-1997** Netherlands Graduate School for Linguistics (LOT)
- 1992** Spring school Artificial Intelligence (Moehne, Germany)
- 1990-1994** Undergraduate study (MA) at Trier University (Trier, Germany) in phonetics, psychology, computational linguistics, and German philology

Academic degrees

- 1 July 2006** Professor of Psycho- and Neurolinguistics, Leiden University
- 1 March 2004** Professor of Psychology, Maastricht University
- 25 November 1997** Doctor of Philosophy (PhD), Radboud University, Nijmegen
- 22 June 1994** Magister Artium (MA), Trier University

Employment

| | |
|--------------------------------------|--|
| January 2016 – today | Scientific Director at <i>Leiden University Centre of Linguistics (LUCL)</i> , Leiden (The Netherlands) |
| 2015 | Director of Education at <i>Leiden University Centre of Linguistics (LUCL)</i> , Leiden (The Netherlands) |
| July 2006 – today | Professor of psycho- and neurolinguistics at <i>Leiden University</i> (The Netherlands) |
| September 2003 – June 2006 | Professor of psycholinguistics at <i>Maastricht University</i> (The Netherlands) and senior researcher at the <i>Max Planck Institute for Psycholinguistics</i> , Nijmegen (The Netherlands) |
| February 2000 – August 2003 | Academy researcher (rank: assistant/associate professor) of the <i>Royal Netherlands Academy of Arts and Sciences (KNAW)</i> at <i>Maastricht University</i> and at the <i>Max Planck Institute for Psycholinguistics</i> , Nijmegen (The Netherlands) |
| March 1998 – January 2000 | Post-doctoral research fellow of the <i>Cognitive Neuropsychology Laboratory</i> in the Department of Psychology at <i>Harvard University</i> (USA) |
| December 1997 – February 1998 | Research fellow, <i>Max Planck Institute for Psycholinguistics</i> , Nijmegen (The Netherlands) |
| November 1994 – November 1997 | PhD student, <i>Max Planck Institute for Psycholinguistics</i> , Nijmegen (The Netherlands) |
| July 1993 – June 1994 | Research assistant, Institute of Phonetics, <i>Trier University</i> (Germany) |
| July 1992 – June 1993 | Research assistant, Institute of Computational Linguistics, <i>Trier University</i> (Germany) |
| March 1992 – April 1992 | Trainee at <i>Siemens Nixdorf AG</i> , Project METAL, Department for Machine Translation, Munich (Germany) |

Visiting researcher abroad

December 2012

Macquarie Centre for Cognitive Science (MACCS; director: Prof. Anne Castles), Macquarie University, Sydney (Australia) (host: Dr. Britta Biedermann)

February 2010

Macquarie Centre for Cognitive Science (MACCS; director: Prof. Anne Castles), Macquarie University, Sydney (Australia) (hosts: Dr. Sachiko Kinoshita & Dr. Britta Biedermann)

January 2009 – February 2009

Macquarie Centre for Cognitive Science (MACCS; director: Prof. Max Coltheart), Macquarie University, Sydney (Australia) (host: Dr. Sachiko Kinoshita)

December 2006 – January 2007

Macquarie Centre for Cognitive Science (MACCS; director: Prof. Max Coltheart), Macquarie University, Sydney (Australia) (host: Dr. Sachiko Kinoshita)

October 2005 – December 2005

Macquarie Centre for Cognitive Science (MACCS; director: Prof. Max Coltheart), Macquarie University, Sydney (Australia) (host: Dr. Sachiko Kinoshita)

April 2003 – May 2003

Laboratoire de Psychologie Cognitive (director: Prof. Jonathan Grainger), CNRS, Université de Provence, Marseille (France) (host: Dr. Xavier-F. Alario)

March 1998 – January 2000

Cognitive Neuropsychology Laboratory (director: Prof. Alfonso Caramazza), Department of Psychology, Harvard University, Cambridge, MA (USA)

Organization of workshops, symposia, & conferences

Annual meeting of the *International Association for Forensic Phonetics and Acoustics* (IAFPA), Leiden University, Leiden (The Netherlands), 8-10 July, 2015.

LUCL farewell symposium for Prof. Vincent van Heuven “Above and Beyond Segments”, Leiden University, Leiden (The Netherlands), 8 September, 2014.

LUCL symposium for the official opening of the LUCL-EEG labs, Leiden University, Leiden (The Netherlands), 26 September, 2013.

LUCL-symposium “De ondertitelbril SpraakZien”, Leiden University, Leiden (The Netherlands), 25 March, 2013.

Workshop “Language development in children and adolescents” (with Eveline Crone, Paul van den Broek & Charles Perfetti), Lorentz Center, Leiden (The Netherlands), 9-13 January, 2012.

LIBC symposium on multilingualism “TWEE Talen, ÉÉN BeTalen” (“Two languages, only pay for one”), Leiden University, Leiden (The Netherlands), 20 May 2011.

Session “Two languages, one brain: The cognitive neuroscience of bilingualism” at the 1st Sino-UK-Netherlands Frontiers of Science symposium, Beijing (China), 8-11 November, 2009.

8th Endo-Neuro-Psycho Conference, Doorweerth (The Netherlands), 3-5 June, 2009 (chair of the organizing committee)

Symposium “The cognitive neuroscience of letter processing” at the 8th Endo-Neuro-Psycho Conference, Doorweerth (The Netherlands), 3-5 June, 2009.

7th Endo-Neuro-Psycho Conference, Doorweerth (The Netherlands), 4-6 June, 2008 (vice chair of the organizing committee).

Symposium “Neurocognition of Bilingualism” (with Dirk Köster) at the 7th Endo-Neuro-Psycho Conference, Doorweerth (The Netherlands), 4-6 June, 2008.

Symposium “Manual and verbal action planning: Points of convergence” (with Bernhard Hommel, Leiden University) at the 15th ESCoP conference, Marseille (France), 29 August – 1 September.

Symposium “Cognitive neuroscience of language” at the 5th Endo-Neuro-Psycho Conference, Doorweerth (The Netherlands), 6-9 June, 2006.

Symposium “Language production” (with Rob Hartsuiker, Universiteit Gent and Ingrid Christoffels, Universiteit Maastricht) at the Belgium Association for Psychological Science meeting, Liège (Belgium), 19 May, 2006.

“Cognition: From Molecules to Mind” (with Daniëlle Posthuma, Vrije Universiteit Amsterdam and Pieter Roelfsema, Nederlands Instituut voor Neurowetenschappen/Vrije Universiteit Amsterdam). *De Jonge Akademie* (The Young Academy) workshop at the KNAW in Amsterdam, 29 March, 2006.

Tenth wintercongress of the Netherlands Psychonomic Society, Egmond aan Zee (The Netherlands), 16-17 December, 2005.

Second International Workshop on Language Production, Faculty of Psychology, Maastricht University, Maastricht (The Netherlands), 28-30 August, 2005.

Symposium "Language processing" at 3rd Endo-Neuro-Psycho Meeting, Doorweerth (The Netherlands), 1-4 June, 2004.

Open day "Faculty of Psychology, Maastricht University" (Netherlands Psychonomic Society), Maastricht (The Netherlands), 13-14 May, 2004.

Symposium "Self-monitoring" at the Ninth wintercongress of the Netherlands Psychonomic Society, Egmond aan Zee (The Netherlands), 19-20 December, 2003.

Ninth wintercongress of the Netherlands Psychonomic Society, Egmond aan Zee (The Netherlands), 19-20 December, 2003.

Eighth wintercongress of the Netherlands Psychonomic Society, Egmond aan Zee (The Netherlands), 14-15 December, 2001.

Membership in professional organizations

- Acoustical Society of America (ASA) (1994-2015)
- Cognitive Neuroscience Society (CNS)
- De Jonge Akademie (DJA) [The Young Academy; 2005-2010]
- Deutsche Gesellschaft für Akustik (DEGA) [German Society for Acoustics] (1994-2015)
- Deutsche Gesellschaft für Sprachwissenschaft (DGfS) [German Society for Linguistics]
- European Society for Cognitive Psychology (ESCOP)
- Experimenteel-Psychologische Onderzoekschool (EPOS) [National Graduate School for Experimental Psychology] (**member of the board 2004-2009**)
- Gesellschaft für Angewandte Linguistik (GAL) [Society for Applied Linguistics] (1995-2015)
- International Society of Phonetic Sciences (ISPhS)
- International Phonetic Association (IPA)
- International Association for Forensic Phonetics (IAFP)
- Landelijke Onderzoekschool Taalwetenschap (LOT) [National Graduate School for Linguistics] (**member of the board since 2013**)
- Linguistic Society of America (LSA)
- Nederlandse Vereniging voor Fonetische Wetenschappen (NVVFW) [Dutch Society for Phonetic Sciences]
- Nederlandse Vereniging voor Psychonomie (NVP) [Dutch Society for Psychonomics] (**member of the board 2001-2008**)
- Neurofederatie (**member of the steering group 2006-2009**)
- The Psychonomic Society

Editorial work

- *Frontiers in Psychology – Research Topic* (guest editor together with Jurriaan Witteman, Yiya Chen, Marie Carmen Parafita Couto & Leticia Pablos; 2017)
- *Linguistics Vanguard* (area editor as of 2015)
- *PLoS ONE* (academic editor as of 2014)
- *Frontiers in Language Sciences* (member of the editorial board as of 2010)
- *Cognition. International Journal of Cognitive Science* (member of the editorial board 2008-2013)
- *Applied Psycholinguistics* (member of the editorial board 2007-2009)
- *Language and Cognitive Processes* (guest editor of special issues in 2007 and 2008)
- *Italian Journal of Linguistics* (member of the editorial board 2005-2008)
- *The Phonetician. Bulletin of the International Society of Phonetic Sciences (ISPhS)* (editor 1999-2003)

Ad-hoc reviewer for journals

- Acta Psychologica
- Applied Psycholinguistics
- Bilingualism - Language and Cognition
- BMC Neuroscience
- Brain and Language
- British Journal of Psychology
- Cerebral Cortex
- Cognition
- Cognitive Brain Research/Brain Research
- Current Psychology Letters
- European Journal of Cognitive Psychology
- Experimental Brain Research
- Experimental Psychology
- Frontiers of Psychology
- Human Brain Mapping
- Journal of Cognitive Neuroscience
- Journal of Memory and Language
- Journal of Experimental Psychology: Learning, Memory, and Cognition
- Journal of Experimental Psychology: Human Perception and Performance
- Journal of Phonetics
- Journal of Speech, Language and Hearing Research
- Language and Cognitive Processes/Language, Cognition and Neuroscience
- Language and Linguistics Compass
- Language and Speech
- Language Learning
- Linguistics
- Memory & Cognition
- Motor Control
- NeuroImage
- Neuropsychologia
- Neuroscience
- Neuroscience Letters
- Perceptual and Motor Skills. Psychological Reports
- PLoS ONE
- Proceedings of the National Academy of Sciences
- Psychological Science
- Psychonomic Bulletin & Review
- Psychophysiology
- Quarterly Journal of Experimental Psychology
- Reading and Writing
- Scientific Reports (Nature)
- Scientific Studies of Reading

See my performance as a reviewer on [Publons](#)

Grant reviewing

- National Science Foundation (NSF)
- Gertrud Reemtsma Stiftung
- Netherlands Organization for Scientific Research (NWO)
- Deutsche Forschungsgemeinschaft (DFG)
- Economic and Social Research Council (ESRC)
- Swiss National Science Foundation (SNSF)
- Académie Wallonie-Bruxelles
- Research Foundation Flanders (FWO)
- Fonds de la Recherche Scientifique (FNRS)
- Prince Sultan University (Saudi Arabia)

External activities (selection 2013-2016 only)

Print-media

Leidsch Dagblad, 16 January 2013

Kennislink, 1 December 2014

"Slechthorend? Neem een bril!" Leidsch Dagblad, 12 January 2015

"Bril voor Doven - Nederlandse vinding ondertitelt gesprekken ter plekke" Quest, April 2015

Audio-visual media

NPO radio 1, De Taalstaat, 19 April 2014

TV België 4, Scheire en de Schepping, 11 March 2014

TV NPO 2, De kennis van nu, 7 December 2014

Radio Sleutelstad 93.7 FM, Leiden, 1 July 2015

Public appearances

Science Café, Leiden, 13 May 2014

DRONGO festival voor meertaligheid, Amsterdam, 27 September 2014

Naturalis After Dark, Leiden, 31 October 2014

De Taalshow – Doofheid en Taal, Amsterdam, Torpedotheater, 26 March 2015

Museumnacht, Leiden, 30 May 2015

European Researchers' Night - Naturalis After Dark Festival, Leiden, 25 September 2015

BetaBreak discussieplatform – De oorsprong van taal, Amsterdam Science Park, 16 March 2016

Introduction to LUCL movie nights – The King's Speech, Leiden, 23 November 2016

Esteem factors

- **Academic Director** of LUCL (Leiden University; as of 2016)
- **Member of management team** of LUCL (Leiden University; as of 2015)
- **Member of the Supervisory Board** of LIBC (Leiden University; as of 2015)
- **Member of the management team** of LIBC (Leiden University; 2006 – 2014)
- **Chair** examination committee MA and Research MA Linguistics (Leiden University; 2012-2014)
- **Chair** (ad interim) of the BA Linguistics (Leiden University; 2009-2010)
- **Member program committee** *Brain & Cognition* (Netherlands Organisation for Scientific Research, NWO; 2009-2016)
- **Member of the VIDI committee** (Netherlands Organisation for Scientific Research, NWO; 2017)
- **Member of the Board** of the Landelijke Onderzoeksschool Taalwetenschap (LOT) [National Graduate School for Linguistics] (as of 2013)
- **Member of the Board** of the Experimenteel-Psychologische Onderzoeksschool (EPOS) [National Graduate School for Experimental Psychology] (2004-2009)
- **Member of the Board** of the Nederlandse Vereniging voor Psychonomie (NVP) [Dutch Society for Psychonomics] (2001-2008)
- **Member of the Steering Group** of the Neurofederatie [Neurofederation] (2006-2009)
- Participation in Academic Leadership program (Leiden University; 2013-2014)
- Participation in Academic Leadership program (Maastricht University; 2004-2005)
- **Member of De Jonge Akademie** [The Young Academy] of the Royal Netherlands Academy of Arts and Sciences [KNAW] (2005-2010)
- **VICI laureate** (Netherlands Organisation for Scientific Research, NWO; 2003-2009)

List of publications

Five key publications:

- **Schiller, N. O.**, Van Lenteren, L., Witteman, J., Ouwehand, K., Band, G. P. H., & Verhagen, A. (2017). Solving the problem of double negation is not impossible: electrophysiological evidence for the cohesive function of sentential negation. *Language, Cognition and Neuroscience*, 32, 147-157.
- Nickels, L., Biedermann, B., Fieder, N., & **Schiller, N. O.** (2015). The lexical-syntactic representation of number. *Language, Cognition and Neuroscience*, 30, 287-304.
- Schuhmann, T., **Schiller, N. O.**, Goebel, R., & Sack, A. T. (2012). Speaking of which: Dissecting the neurocognitive network of language production. *Cerebral Cortex*, 22, 701-709.
- Koester, D. & **Schiller, N. O.** (2011). The functional neuroanatomy of morphology in language production. *NeuroImage*, 55, 732-741.
- **Schiller, N. O.**, & Caramazza, A. (2003). Grammatical feature selection in noun phrase production: Evidence from German and Dutch. *Journal of Memory and Language*, 48, 169-194.

For pdf's of my publications, please visit my [website](#) or go to my [ResearchGate](#) site.

My h-index varies between 23 ([Thomson Reuters](#)), 26 ([Mendeley](#)), 35 ([ResearchGate](#)) and 37 ([Google Scholar citations](#)).

Journal articles, book chapters and monographs/edited volumes are listed below.

Please see my website for [proceedings papers](#), [published abstracts](#), [book reviews](#), etc.

Peer-reviewed journal articles

Forthcoming

- Kepinska, O., De Rover, M., Caspers, J., & **Schiller, N. O.** (accepted with minor revisions). Connectivity of the hippocampus and Broca's area during acquisition of a novel grammar. *NeuroImage*.
- Kepinska, O., Pereda, E., Caspers, J., & **Schiller, N. O.** (accepted with minor revisions). Neural oscillatory mechanisms during novel grammar learning underlying language analytical abilities. *Brain & Language*.
- Shiamizadeh, Z., Caspers, J., & **Schiller, N. O.** (accepted). The role of prosody in the identification of Persian sentence types: declarative or wh-question? *Linguistics Vanguard*.
- Shiamizadeh, Z., Caspers, J., & **Schiller, N. O.** (accepted with minor revisions). Do Persian native speakers prosodically mark wh-in-situ questions? *Language and Speech*.
- Van der Velde, D. J., **Schiller, N. O.**, Levelt, C. C., Van Heuven, V. J., Van Ginkel, J., Beers, M., Briare, J. J. & Frijns, J. H. M. (accepted). Prosody and cochlear implants: the perception of emotion and focus with different cues and filter slopes. *Journal of the Acoustical Society of America*.
- Wu, J., Chen, Y., Van Heuven, V. J. J. P., & **Schiller, N. O.** (in press). Interlingual two-to-one mapping of tonal categories. *Bilingualism: Language and Cognition*. doi:10.1017/S1366728916000493

2017

- Kepinska, O., De Rover, M., Caspers, J., & **Schiller, N. O.** (2017). On neural correlates of individual differences in novel grammar learning: An fMRI study. *Neuropsychologia*, 98, 156-168.
- Kepinska, O., De Rover, M., Caspers, J., & **Schiller, N. O.** (2017). Whole-brain functional connectivity during acquisition of novel grammar: Distinct functional networks depend on language learning abilities. *Behavioural Brain Research*, 320, 333-346.
- Kepinska, O., & **Schiller, N. O.** Possible neural oscillatory mechanisms underlying learning [Commentary]. *Cognitive Neuroscience*, 8, 128-129.
- **Schiller, N. O.**, Van Lenteren, L., Witteman, J., Ouwehand, K., Band, G. P. H., & Verhagen, A. (2017). Solving the problem of double negation is not impossible: electrophysiological evidence for the cohesive function of sentential negation. *Language, Cognition and Neuroscience*, 32, 147-157.

2016

- Liu, M., Chen, Y., & **Schiller, N. O.** (2016). Online processing of tone and intonation in Mandarin: Evidence from ERPs. *Neuropsychologia*, 91, 307-317.
- Perwitasari, A., Klamer, M., & **Schiller, N. O.** (2016). Formant frequencies and vowel space area in Javanese and Sundanese English language learners. *3L: The Southeast Asian Journal of English Language Studies*, 22, 141-152.
- Wu, J., Chen, Y., Van Heuven, V. J. J. P., & **Schiller, N. O.** (2016). Predicting tonal realizations in one Chinese dialect from another. *Speech Communication*, 76, 1-24.

2015

- Kaczer, L., Timmer, K., Bavassi, L., & **Schiller, N. O.** (2015). Distinct morphological processing of recently learned compound words: An ERP study. *Brain Research*, 1629, 309-317.
- Nickels, L., Biedermann, B., Fieder, N., & **Schiller, N. O.** (2015). The lexical-syntactic representation of number. *Language, Cognition and Neuroscience*, 30, 287-304.
- Nixon, J., Chen, Y., & **Schiller, N. O.** (2015). Multi-level processing of phonetic variants in speech production and visual word processing: evidence from Mandarin lexical tones. *Language, Cognition and Neuroscience*, 30, 491-505.
- Van de Velde, D. J., Dristakis, G., Frijns, J. H. M., Van Heuven, V. J., **Schiller, N. O.** (2015). The effect of spectral smearing on the identification of pure F0 intonation contours in vocoder simulations of cochlear implants. *Cochlear Implants International*, 16, 77-87.
- Verdonschot, R. G., Lai, J., Feng, C., Tamaoka, K., & **Schiller, N. O.** (2015). Constructing initial phonology in Mandarin Chinese: syllabic or sub-syllabic? A masked priming investigation. *Japanese Psychological Research*, 57, 61-68.

2014

- Goerlich, K. S., Witteman, J., **Schiller, N. O.**, Van Heuven, V. J. P., Aleman, A., & Martens, S. (2014). Blunted feelings: Alexithymia is associated with a diminished neural response to speech prosody. *Social, Cognitive and Affective Neuroscience*, 9, 1108-1117.
- Janssen, N., **Schiller, N. O.**, & Alario, F.-X. (2014). The selection of closed-class elements during language production: A reassessment of the evidence and a new look on new data. *Language, Cognition and Neuroscience*, 29, 695-708.

Papers presented at conferences

2016

- Boutonnet, B., Meelen, M., Cheng, L. & **Schiller, N. O.** (2016). "(Not so) Great Expectations: Can listening to foreign-accented speech change the brain's predictive mechanisms?" 22nd Conference on Architectures and Mechanisms for Language Processing (AMLaP), 1-3 September 2016, Bilbao.
- Boutonnet, B., Cheng, L. & **Schiller, N. O.** (2016). "Can listening to foreign-accented speech change the brain's predictive mechanisms?" AThEME consortium meeting, 14-16 September 2016, Verona.
- Tsegaye, M. T., Mous, M., & **Schiller, N. O.** (2016). "Plural as an exponent of gender in Konso: Evidence from Picture-Word Tasks". Conference on Experimental Approaches to Arabic and other understudied Languages (EXAL+), 16-17 January 2016, NYU Abu Dhabi.
- Tsegaye, M. T., Mous, M., & **Schiller, N. O.** (2016). "Picture-word tasks support plural as a category of gender instead of number in Konso (East Cushitic)". 46th Colloquium on African Languages and Linguistics (CALL), 29-31 August 2016, Leiden.

2015

- Shiamizadeh, Z., Caspers, J., & **Schiller, N. O.** (2015). "Acoustic correlates of Persian in-situ-wh-questions". Paper presented at the 18th International Congress of Phonetic Sciences (ICPhS XVIII), 10-14 August 2015, Glasgow, UK.

2013

- Kepinska, O., Caspers, J., Struys, E., & **Schiller, N. O.** (2013). "Language aptitude as measured by the LLAMA test and the effects of early bilingualism". 23rd meeting of the European Second Language Association (EUROSLA), 28-31 August, 2013, Amsterdam, The Netherlands.

2012

- Biedermann, B., Nickels, L., Lorenz, A., & **Schiller, N. O.** (2012). "Assessing plural information in impaired language processing". 13th International Science of Aphasia conference, 7-12 September, Groningen, The Netherlands.

2011

- **Schiller, N. O.**, Ceusters, I. & Timmer, K. (2011). [symposium] "Bilinguale Sprachverarbeitung". 53. Tagung experimentell arbeitender Psychologen (TeaP), 13-16 March, 2011, Halle (Saale), Germany.
- Timmer, K., Ceusters, I., & **Schiller, N. O.** (2011). Is KNAAP affected by a KNIFE? An ERP investigation of L2 to L1 influence during reading aloud. International Symposium on Bilingualism (ISB8), Oslo, Norway, 15-18 June, 2011.
- Chen, Y., Shen, R., & **Schiller, N. O.** (2011). "Representation of allophonic tone sandhi variants". Satellite conference on The Psycholinguistic Representation of Tone (PLRT), Hongkong, August, 2011.

- **Schiller, N. O.**, Vahid-Gharavi, N., & Timmer, K. (2011). "Reading aloud words in Persian: ERP evidence for the phonological basis of the MOPE". ICPHS XVII, 18 August 2011, Hongkong.
- Nixon, J., Chen, Y., & **Schiller, N. O.** (2011). Activation of phonological speech variants in visual word recognition: Evidence from Chinese tonal allophones. AMLaP conference, 1-4 September, 2011, Paris, France.

2010

- **Schiller, N. O.** & Timmer, K. (2010). "Second-language phonology is active when using your first language". 51st Annual Psychonomic Meeting, 18-21 November, 2010, St. Louis, Missouri, USA.
- Timmer, K. & **Schiller, N. O.** (2010). "The time course of orthography and phonology during reading aloud in a second language: Evidence from an ERP study". 17th Annual CNS Meeting, 17-20 April, 2010, Montreal, Canada.
- Timmer, K. & **Schiller, N. O.** (2010). "Early orthographic and phonological effects during reading aloud in a second language". 50th Annual SPR Meeting, 29 September - 3 October, 2010, Portland, Oregon, USA.
- Umanski, D., Sangati, F., & **Schiller, N. O.** (2010). "How spoken language corpora can refine current speech motor training methodologies". ACL 2010 Student Research Workshop Appala, Sweden, July, 2010.
- Umanski, D., Kogovšek, D., Ozbic, M. & **Schiller, N. O.** (2010). "Development of a voice-based rhythm game for training speech motor skills of children with speech motor disorders". 8th International Conference on Disability, Virtual Reality and Associated Technologies, Viña del Mar/Valparaíso, Chile, 31 August - 2 September 2010.
- Verdonschot, R. G., La Heij, W. & **Schiller, N. O.** (2010). "Semantic context effects when naming Japanese kanji, but not Chinese hànzì". Nagoya University, Japan, May, 2010.

2009

- Timmer, K., & **Schiller, N. O.** (2009). "Different properties of consonants and vowels in reading aloud: Evidence from the masked onset priming effect". 8th Dutch Endo-Neuro-Psycho Meeting. Doorwerth, Netherlands, 3-5 June 2009.
- Christoffels, I., Caljouw, C., Band, G., **Schiller, N. O.**, & Colzato, L. (2009). 1995

- **Schiller, N. O.** & Mooshammer, C. (1995). "The Character of /r/-Sounds: Articulatory Evidence for Different Reduction Processes with Special Reference to German". 13th International Congress of Phonetic Sciences, Stockholm (Sweden), 1995.
- Köster, O., **Schiller, N. O.**, & Künzel, H. J. (1995). "The Influence of Native-Language Background on Speaker Recognition". 13th International Congress of Phonetic Sciences, Stockholm (Sweden), 1995.

Grants, prizes, stipends, and honorary appointments

- 2016-2020** *Language in Interaction* project (NWO *Gravitation* program) PhD grant for a project titled "Do brain potentials reflect individuals' potential to learn a second language? Individual differences in language interaction during L2 acquisition" (€ 250.000)
- 2013-2014** *Gratama-Stichting/Leiden Universiteits Fonds (LUF)* Research grant for a project titled "Automatische tekstreductie bij real-time ondertiteling voor doven en slechthorenden" (Automatic text reduction in real-time subtitling for deaf and hearing-impaired people) (€18.000)
- 2011-2014** *Royal Netherlands Academy for Arts and Sciences (KNAW) – Chinese Academy of Sciences (CAS)* grant for a project titled "Orthographic priming of picture naming: Effects of semantic radicals on facilitation in naming" (€ 34.490)
- 2010-2011** *Netherlands Institute for Advanced Study (NIAS) in the Humanities and Social Sciences* supporting a sabbatical at the NIAS (September 2010 – June 2011), including a grant for teaching substitution (€ 25.000)
- 2010** *Royal Netherlands Academy for Arts and Sciences (KNAW) – De Jonge Akademie (DJA)* grant with Monika Schmid, *Rijksuniversiteit Groningen*) supporting a workshop on "Aspects of bilingual processing of grammatical gender" (€ 4.000)
- 2010** *Royal Netherlands Academy for Arts and Sciences (KNAW) – De Jonge Akademie (DJA)* grant supporting a stay at *Macquarie University, Sydney, Australia* (€ 4.000)
- 2009** *Royal Netherlands Academy for Arts and Sciences (KNAW) – De Jonge Akademie (DJA)* grant with Monika Schmid, *Rijksuniversiteit Groningen*) supporting a workshop on "Cognitive and structural aspects of multilingual linguistic systems in acquisition, processing, and attrition" (€ 4.000)
- 2009** *Royal Netherlands Academy for Arts and Sciences (KNAW) – De Jonge Akademie (DJA)* grant supporting a stay at *Macquarie University, Sydney, Australia* (€ 4.000)
- 2008** *Royal Netherlands Academy for Arts and Sciences (KNAW) – De Jonge Akademie (DJA)* grant with Monika Schmid, *Rijksuniversiteit Groningen*) supporting a workshop on "Levels of abstraction in the investigation of language development" (€ 4.000)
- 2007** Honorary Associate of the *Macquarie Centre for Cognitive Science, Macquarie University, Sydney, Australia* (honorary)
- 2006** *Australian Social Science Association (ASSA)* visitor's grant supporting a stay at *Macquarie University, Sydney, Australia* (Aus \$ 3,000)

- 2006** *Tanswisselleerstoel* (Tans alternating professorship) of the *Universiteitsfonds Limburg* (University Funds Limburg)/SWOL (honorary)
- 2005** *NWO Fonds Internationalisering Sociale Wetenschappen* (Fonds IWS) grant for the workshop "10e Wintercongres van de Nederlandse Vereniging voor Psychonomie (NVP)" (€ 1,360)
- 2005** *Australian Social Science Association (ASSA)* visitor's grant supporting a stay at *Macquarie University, Sydney, Australia* (Aus \$ 3,000)
- 2005** *Macquarie Centre for Cognitive Science (MACCS)* visitor's grant to stay at the MACCS as a Visiting Fellow from 1 October to 12 December 2005. *Macquarie University, Sydney, Australia* (Aus \$ 11,185)
- 2005-2010** Appointment as member of *De Jonge Akademie* [The Young Academy] of the *Royal Netherlands Academy for Arts and Sciences (KNAW)* (honorary)
- 2004** Open Competition grant (grant period: 2006-2009) of the *Dutch Organization for Scientific Research (NWO)* [*Nederlandse Organisatie voor Wetenschappelijk Onderzoek*], Den Haag (The Netherlands) (€ 170.000)
- 2003** VICI grant [vernieuwingsimpuls] of the *Netherlands Organization for Scientific Research (NWO)* (grant period: 2003-2009) [*Nederlandse Organisatie voor Wetenschappelijk Onderzoek*], Den Haag (The Netherlands) (€ 1.250.000)
- 2000-2005** Academy researcher of the *Royal Netherlands Academy for Arts and Sciences (KNAW)* [*Akademie-Onderzoeker Koninklijke Nederlandse Akademie van Wetenschappen*], Amsterdam (The Netherlands) (5 years post-doc salary)
- 1999** Post-doctoral stipend in the area of neuropsychology in the cognitive-neuroscientific section of the *International School for Advanced Studies (SISSA)*, Trieste (Italy) (declined)
- 1998-1999** Research stipend for the *German and American Young Scholars' Institute* on "The Evolution of Intelligence: The Comparative Analysis of Cognition" of the *German American Academic Council (GAAC)*, Berlin
- 1998** Feodor-Lynen Stipend of the *Alexander von Humboldt-Stiftung*, Bonn (declined)
- 1998** Otto-Hahn-Medal of the *Max-Planck-Gesellschaft zur Förderung der Wissenschaften (MPG)*, Munich
- 1997** Research stipend of the *International Association for Forensic Phonetics (IAFP)* for the study titled "The Influence of Native-Language Background on Speaker Recognition"
- 1995** Research stipend of the *International Association for Forensic Phonetics (IAFP)* for the study titled "The Influence of Native-Language Background on Speaker Recognition"

1994-1997 PhD stipend (1994-1997) of the *Max-Planck-Gesellschaft zur Förderung der Wissenschaften* (MPG), Munich, for the project titled "The Role of the Syllable in Speech Production"

Grand total earning capacity: > 2,000,000 euro

Teaching

2017

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, March – May, 2017.

2016

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, March – May, 2016.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2016.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, September – October, 2016.

2015

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series (together with Jurriaan Witteman), Leiden University, Faculty of Humanities, March – May, 2015.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2015.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series (together with Olga Kepinska), Leiden University, Faculty of Humanities, September – October, 2015.

2014

“The Cognitive Neuroscience of Language”. MA lecture/seminar series (together with Fenna Poletiek), Faculteit der Geesteswetenschappen/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – April, 2014.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, Department of Linguistics, March – May, 2014.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2014.

“Psycho- and Neurolinguïstiek” [Psycho- and neurolinguistics]. Lecture series as part of the interfaculty minor “Brain & Cognition”, Leiden University, October-November, 2014.

“Practicum psycholinguïstiek” [Practical psycholinguistics]. Lectures within the BA practical psycholinguistics (together with Bobby Ruijgrok), Leiden University, September – December, 2014.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, September – October, 2014.

2013

“Neurolinguistics”. LOT (Landelijke Onderzoeksschool Taalwetenschap [Dutch research school for linguistics]) winterschool, Universiteit Leiden, 14-18 January, 2013.

“Taal en cognitie” [Language and cognition]. BA seminar series, Leiden University, Faculty of Humanities, February – May, 2013.

“Verwerving en verwerking van taal in een meertalige samenleving” [Acquisition and processing of language in a multilingual society]. Lecture series as part of the interfaculty minor “Multiculturele samenleving” [Multicultural society], Leiden University, February – March, 2013.

“The Cognitive Neuroscience of Language”. MA lecture/seminar series, Faculteit der Letteren/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – May, 2013.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, March – May, 2013.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2013.

“Psycho- and Neurolinguïstiek” [Psycho- and neurolinguistics]. Lecture series as part of the interfaculty minor “Brain & Cognition”, Leiden University, October-November, 2013.

“Practicum psycholinguïstiek” [Practical psycholinguistics]. Lectures within the BA practical psycholinguistics (together with Daan van de Velde), Leiden University, September – December, 2013.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, October – December, 2013.

2012

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, February – May, 2012.

“The Cognitive Neuroscience of Language”. MA lecture/seminar series, Faculteit der Letteren/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – May, 2012.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to

linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2012.

“Psycho- and Neurolinguïstiek” [Psycho- and neurolinguistics]. Lecture series as part of the interfaculty minor “Brain & Cognition”, Leiden University, October, 2012.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, October – December, 2012.

2011

“Verwerving en verwerking van taal in een meertalige samenleving” [Acquisition and processing of language in a multilingual society]. Lecture series as part of the interfaculty minor “Multiculturele samenleving” [Multicultural society], Leiden University, April-May, 2011.

“The Use of fMRI in Cognition Research: Language Production”. Frontiers of Science course: Advances in Neuroscience, University of Leiden, 2 May, 2011.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2011.

“Psycho- and Neurolinguïstiek” [Psycho- and neurolinguistics]. Lecture series as part of the interfaculty minor “Brain & Cognition” (together with Kalinka Timmer), Leiden University, October, 2011.

“Practicum psycholinguïstiek” [Practical psycholinguistics]. Lectures within the BA practical psycholinguistics (together with Kalinka Timmer and Jessie Nixon), Leiden University, September – December, 2011.

“Verwerving en verwerking van taal in een meertalige samenleving” [Acquisition and processing of language in a multilingual society]. Lecture series as part of the interfaculty minor “Multiculturele samenleving” [Multicultural society], Leiden University, October – December, 2011.

2010

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, March – May, 2010.

“The Cognitive Neuroscience of Language”. MA lecture/seminar series, Faculteit der Letteren/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – May, 2010.

2009

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, March – May, 2009.

“The Cognitive Neuroscience of Language”. MA lecture/seminar series, Faculteit der

Letteren/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – May, 2009.

“Aphasie” [Aphasia] & “De taal van de hersenen” [The language of the brain]. LAPP-toponderwijs, Leiden University, 12 February + 13 March, 2009.

“The Use of fMRI in Cognition Research: Language Production”. Frontiers of Science course: Advances in Neuroscience, University of Leiden, 15 April, 2009.

“Introductie in de linguïstiek en in de neurocognitieve psychologie” [Introduction to linguistics and neurocognitive psychology]. Lectures held as part of the interfaculty minor “Brain & Cognition”, Leiden University, September, 2009.

“Psycho- and Neurolinguïstiek” [Psycho- and neurolinguistics]. Lecture series as part of the interfaculty minor “Brain & Cognition”, Leiden University, October, 2009.

“Practicum psycholinguïstiek” [Practical psycholinguistics]. Lectures within the BA practical psycholinguistics (together with Rinus Verdonschot and Kalinka Timmer), Leiden University, September – December, 2009.

“Verwerving en verwerking van taal in een meertalige samenleving” [Acquisition and processing of language in a multilingual society]. Lecture series as part of the interfaculty minor “Multiculturele samenleving” [Multicultural society], Leiden University, October – December, 2009.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, October – December, 2009.

2008

“Introduction to psycholinguistics”. LOT (Landelijke Onderzoeksschool Taalwetenschap [Dutch research school for linguistics]) winterschool, Universiteit Tilburg, 7-11 January, 2008.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, February – May, 2008.

“Neurocognition of Language”. MA lecture/seminar series, Faculteit der Letteren/Faculteit Sociale Wetenschappen, Universiteit Leiden, February – May, 2008.

“Aphasie” [Aphasia] & “De taal van de hersenen” [The language of the brain]. LAPP-toponderwijs, Leiden University, 7 + 14 March, 2008.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, October – December, 2008.

2007

“Phonological encoding during speech production”. EPOS orientation course Language, University of Amsterdam, 2 February, 2007.

“Aphasie” [Aphasia] & “De taal van de hersenen” [The language of the brain]. LAPP-top onderwijs, Leiden University, 9 + 16 February, 2007.

“Neurolinguïstiek” [Neurolinguistics]. BA lecture series, Leiden University, Faculty of Humanities, February – May, 2007.

“Neurocognition of Language”. MA lecture/seminar series, Leiden University, Faculty of Humanities, February – May, 2007.

“The Use of fMRI in Cognition Research: Language Production”. Frontiers of Science course: Advances in Neuroscience, University of Leiden, 14 March, 2007.

“Taalproductie” [Language production]. Nascholing Taalkunde, ICLON/Universiteit Leiden, 6 June, 2007.

“Language processing”. CSCA (Cognitive Science Centre Amsterdam) summerschool on Language – Acquisition, Processing and Disorders, University of Amsterdam, 18 June – 6 July.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, September – December, 2007.

2006

“The neurocognition of language”. BA seminar series, Maastricht University, Faculty of Psychology, Department of Cognitive Neuroscience, March, 2006.

Seminar (“Het mentale lexicon”). Lecture in blok 1.5B “Complexe cognitie”, Faculty of Psychology, University of Maastricht, April, 2006.

“Monitoring of (verbal) action”. MA seminar series as part of the Research Master “Biopsychology and Psychopathology”, specialization “Cognitive Neuroimaging”, Universiteit Maastricht, April - May, 2006.

“EEG and fMRI under difficult circumstances”. Lecture at the EPOS toolkit module A: Neuro-imaging techniques, Universiteit van Amsterdam, 12 May, 2006.

“The mental lexicon – Speech production”. Lecture/seminar series as part of the Research Master “Cognitive Neuroscience”, specialization “Psycholinguistics”, Radboud Universiteit Nijmegen, September-October, 2006.

“Psycholinguïstiek” [Psycholinguistics]. BA lecture series, Leiden University, Faculty of Humanities, September – December, 2006.

“Taal en cognitie” [Language and cognition]. BA seminar series, Leiden University, Faculty of Humanities, September – December, 2006.

“Taal en cognitie” [Language and cognition]. BA seminar series, Leiden University, Faculty of Humanities, September – December, 2007.

2005

“The mental lexicon – Speech production”. Lecture/seminar series as part of the Research Master "Cognitive Neuroscience", specialization "Psycholinguistics", Radboud Universiteit Nijmegen, January-February, 2005.

Seminar ("Het mentale lexicon"). Lecture in blok 1.5B "Complexe cognitie", Faculty of Psychology, University of Maastricht, April, 2005.

“Psycholinguistics”. LOT (Landelijke Onderzoeksschool Taalwetenschap [Dutch researchschool for linguistics]) summerschool, Universiteit Leiden, 13-17 June, 2005.

“The mental lexicon – Speech production”. Lecture/seminar series as part of the Research Master "Cognitive Neuroscience", specialization "Psycholinguistics", Radboud Universiteit Nijmegen, September, 2005.

2004

Seminar ("Is there free will?"). Opening lecture for "Onderzoekspraktikum 2.5A", Faculty of Psychology, University of Maastricht, April 5, 2004.

Seminar ("Het mentale lexicon"). Lecture in blok 1.5B "Complexe cognitie", Faculty of Psychology, University of Maastricht, April 26, 2004.

“The mental lexicon – Speech production”. Lecture/seminar series as part of the Research Master "Cognitive Neuroscience", specialization "Psycholinguistics", Universiteit Nijmegen, January-February, 2004.

The cognitive neuroscience of auditory/speech perception (blok 3.6.7). Faculty of Psychology, University of Maastricht, May-June, 2004.

Seminar ("Speech perception"). Lecture in blok 3.6.7 "The cognitive neuroscience of auditory/speech perception", Faculty of Psychology, University of Maastricht, June 14, 2004.

“The neurocognition of language” (keuzeblok 4.1). Faculty of Psychology, University of Maastricht, August-September, 2004.

2003

“Taal” [Seminar]. Faculty of Psychology, University of Maastricht, January-February 2003.
Seminar ("Taal"). Lecture in Blok 1.5B "Menselijk kennen", Faculty of Psychology, University of Maastricht, May 12, 2003.

Seminar ("The Moses Illusion"). Opening lecture "Onderzoekspraktikum 2.7", Faculty of Psychology, University of Maastricht, May 19, 2003.

Onderzoekspraktikum 2.7: "Onderzoek - How to do it?". Faculty of Psychology, University of Maastricht, May-June, 2003.

“The neurocognition of language” (keuzeblok 4.1). Faculty of Psychology, University of Maastricht, August-September, 2003.

2002

Taal practicum. Faculty of Psychology, University of Maastricht, January 2002.

Seminar ("One classical experiment in experimental psychology"). Opening lecture "Onderzoekspraktikum 2.7", Faculty of Psychology, University of Maastricht, 21. May 2002.

Onderzoekspraktikum 2.7: "Onderzoek - How to do it?". Faculty of Psychology, University of Maastricht, May-Juni 2002.

“The neurocognition of language” (keuzeblok 4.1). Faculty of Psychology, University of Maastricht, August-September, 2002.

“Introductie in psycholinguïstiek”. Faculteit der Letteren, Universiteit Nijmegen, November-December 2002.

2001

Schrijfonderwijs IIb. Faculty of Psychology, University of Maastricht, April-Mai, 2001.
Onderzoekspraktikum 2.7: "Onderzoek - How to do it?". Faculty of Psychology, University of Maastricht, May-Juni, 2001.

Schrijfonderwijs IIa. Faculty of Psychology, University of Maastricht, November 2001-January 2002.

“Psychodiagnostiek”. Faculty of Psychology, University of Maastricht, November-December 2001.

“Waarnemen” [Seminar]. Faculty of Psychology, University of Maastricht, November-December 2001.

2000

Seminar ("Language production in aphasia") in Block "Neurocognition of Language", Department of "Cognitive Neuroscience, Faculty of Psychology, University of Maastricht, 18 September 2000.

Seminar ("Right hemisphere damage and plasticity") in block "Brain and Plasticity", Department of Neurocognition, Faculty of Psychology, University of Maastricht, 4 December 2000.

1993

Tutorial "Einführung in die Computerlinguistik". Universität Trier, Fachbereich II: Sprachund Literaturwissenschaften, Wintersemester 1992/93 und Sommersemester 1993.

Supervision of BA and MA students

- Mattanja Pauw, Leiden University (BA), 2016
- Adri Wessel, Leiden University (BA; second reader), 2016
- Friso Koman, Leiden University (BA; second reader), 2016
- Amy de Jong, Leiden University (MA; second reader), 2016
- Maxime Tulling, Leiden University (MPhil; second reader), 2016
- Anne Koster, Leiden University (BA), 2014
- Else Verhoef, Leiden University (BA), 2014
- Rosemary Nieuwenhuize, Leiden University (MA), 2014
- Joey Weidema, Leiden University (MSc), 2014
- Gregory Keeling, Leiden University (MA), 2014
- Rosemary Nieuwenhuize, Leiden University (BA), 2013
- Sohaila Amer, Leiden University (BA), 2013
- Maartje Lindhout, Leiden University (BA), 2013
- Saskia Lensing, Leiden University (MA), 2013
- Ilse Ceusters, Leiden University (MA), 2013
- Eleanor Dutton, Leiden University (MA), 2012
- Hanna Gauvin, University of Amsterdam (MA), 2011
- Matthias Franken, Leiden University (BA), 2011
- Marleen Kunneman, Leiden University (MA), 2010
- Narges Gharavi, Leiden University (MA), 2010
- Anna Samata, Leiden University (MPhil), 2009
- Lars van Lenteren, Leiden University (MA), 2009
- Daan van de Velde, Leiden University (MPhil), 2009
- Debbie Lowman, Leiden University (BA), 2009
- Marleen Kunneman, Leiden University (BA), 2008
- Rick Giesbers, Maastricht University (MA), 2007
- Daan van de Velde, Leiden University (BA), 2007
- Jun Lai, Leiden University (MA), 2007
- Anne Zumach, Nijmegen University (BA), 2006
- Minke Greupink, Nijmegen University (BA), 2006
- Daphne van Dongen, Maastricht University (MA), 2006
- Christine Firk, Maastricht University (MA), 2006
- Rinus Verdonschot, Maastricht University (MA), 2006
- Meddy Weijmans, Maastricht University (MA), 2005
- Nina Groten, Bonn University (MA), 2005
- Steffie Vroomen, Nijmegen University (MA), 2004
- Karen Mansfield, Nijmegen University (MA), 2003
- Iemke Horemans, Maastricht University (MA), 2003
- Jolijn Pieterse, Maastricht University (MA), 2003
- Keren Shatzman, Nijmegen University (MA), 2002
- Mariëlle van Wilgenburg, Universiteit Utrecht (MA), 2002
- Marc Schipper, Osnabrück University (internship), March 2002
- Beate Schwichtenberg, Osnabrück University (BA), 2001
- Frouke Hermens, Nijmegen University (MA), 2000
- Elizabeth Molloy, Harvard University (BA), 1999

PhD students (completed; with defence date)

- **Amanda Post da Silveira** (13-12-2016) “Word stress in second language word comprehension and production” (Radboud University, Nijmegen) (“Promotor” [supervisor])
- **Qian Li** (10-02-2016) “The Production and Perception of Tonal Variation. Evidence from Tianjin Mandarin” (Leiden University) (“Promotor” [supervisor])
- **Junru Wu** (22-07-2015) “Tonal Bilingualism. The case of two closely related Chinese dialects” (Leiden University) (“Promotor” [supervisor])
- **Anne M. van der Kant** (28-01-2015) “Neural correlates of vocal learning in songbirds and humans cross-species fMRI studies into individual differences” (Leiden University) (“promotor” [supervisor])
- **Jurriaan Witteman** (18-12-2014) “Towards a cognitive neuroscience of prosody perception and its modulation by alexithymia” (Leiden University; with distinction) (“promotor” [supervisor])
- **Jessie S. Nixon** (14-10-2014) “Sound of mind. Electrophysiological and behavioural evidence for the role of context, variation and informativity in human speech processing” (Leiden University) (“promotor” [supervisor])
- **Kalinka Timmer** (26-09-2013) “A cross-linguistic investigation of the onset effect in reading aloud: No need to mope about the MOPE” (Leiden University) (“promotor” [supervisor])
- **Jun Lai** (26-02-2013) “The learnability of center-embedded recursion: experimental studies with artificial and natural language” (Leiden University) (“promotor” [supervisor])
- **Daniil Umanski** (18-09-2012) “The use of technological support in communication disorders. How development of computer-based tools refine the treatment of motor speech disorders” (Leiden University) (“promotor” [supervisor])
- **Rinus Verdonschot** (12-05-2011) “Word processing in languages using non-alphabetic scripts: The cases of Japanese and Chinese” (Leiden University) (“promotor” [supervisor])
- **Stefanie Pfeifer** (17-02-2011) “At risk for psychosis. Exploring cognition as intermediate phenotype” (Maastricht University) (“promotor” [supervisor])
- **Teresa Schuhmann** (03-06-2010) “The what and when in brain stimulation. Studying language production and deception with optimized neuronavigated transcranial magnetic stimulation” (Maastricht University) (“promotor” [supervisor])
- **Lesya Ganushchak** (12-03-2008) “The nature of the verbal self-monitor” (Leiden University) (“promotor” [supervisor])
- **Nina Groten** (10-03-2008) “Parallel activation of different word forms – Investigation of speech production by means of associates” (Bonn University) (supervisor)
- **Joana Cholin**, (16-06-2004) “Syllables in speech production” (co-supervisor; Radboud University, Nijmegen)

PhD students (manuscript approved; with approval date)

- **Man Wang** (20-03-2017) “A psycholinguistic investigation of speech production in Mandarin Chinese” (Leiden University) (“promotor” [supervisor])
- **Daan van de Velde** (06-03-2017) “The perception and production of prosody by cochlear implant users” (Leiden University) (“promotor” [supervisor])
- **Margarita Gulian** (16-02-2017) “The development of the speech production mechanism in young children: Evidence from the acquisition of onset clusters in Dutch” (Leiden University) (“promotor” [supervisor])
- **Mulugeta Tsegaye** (14-02-2017) “PLURAL GENDER: Behavioral evidence for plural as a value of Cushitic gender with reference to Konso” (Leiden University) (“promotor” [supervisor])
- **Mammod Yenkimaleki** (13-02-2017) “Effect of prosody awareness training on the quality of consecutive interpreting between English and Farsi” (Leiden University) (“promotor” [supervisor])
- **Olga Kepinska** (08-02-2017) “The neurobiology of individual differences in grammar learning” (Leiden University) (“promotor” [supervisor])

PhD students (under supervision)

- **Lisette Jager**, Leiden University, 2016-2020
- **Han Hu**, Leiden University, 2015-2019
- **Saskia Lensing**, Leiden University, 2013-2018
- **David Shakouri**, Leiden University, 2011-2018
- **Yifei Bi**, Leiden University, 2013-2018
- **Min Liu**, Leiden University, 2013-2018
- **Arum Perwitasari**, Leiden University, 2013-2017
- **Zohreh Shiamizadeh**, Leiden University, 2013-2017
- **Yang Yang**, Leiden University, 2013-2017
- **Bobby Ruijgrok**, Leiden University, 2012-2017
- **Eleanor Dutton**, Leiden University, 2012-2017
- **Lei Sun**, Leiden University, 2012-2017

Membership in dissertation committees and other juries

- Gwilym Lockwood (12-04-2017) “Talking sense: The behavioural and neural correlates of sound symbolism” (Radboud University, Nijmegen) (member of the opposition committee)
- William Lawrence Schuerman (27-03-2017) “Sensorimotor experience in speech perception” (Radboud University, Nijmegen) (member of the opposition committee)
- Marleen Kunneman (25-02-2016) “Shared decision making in adjuvant cancer treatment” (Leiden University) (member of the opposition committee)
- Anil Çamci (03-12-2014) “The cognitive continuum of electronic music” (Leiden University) (member of the opposition committee)
- Mariëlle J. L. Prevoo (19-11-2014) “Bilingualism is more than just the sum of two parts: The family context of language development in ethnic minority children” (Leiden University) (member of the opposition committee)
- Marijn Schraagen (11-11-2014) “Aspects of record linkage” (Leiden University) (member of the manuscript & opposition committee)
- Stephan A. Verschoor (25-06-2014) “Learning about goals: Development of action perception and action control” (Leiden University) (member of the manuscript committee)
- Ellahe Chabani (15-04-2014) “Enhancing visuospatial processing skills in children” (Leiden University) (member of the manuscript & opposition committee)
- Kateřina Chládková (07-03-2014) “Finding phonological features in perception” (University of Amsterdam) (member of the manuscript & opposition committee)
- Yinyin Zhu (12-12-2013) “Expression and recognition of emotion in native and foreign speech. The case of Mandarin and Dutch” (Leiden University) (member of the manuscript committee)
- Ongaye Oda Orkaydo (28-03-2013) “A grammar of Konso” (Leiden University) (member of the opposition committee)
- Sita M. ter Haar (05-06-2013) “Birds and Babies: A comparison of the early development in vocal learners” (Leiden University) (member of the manuscript & opposition committee)
- Nadine Chahine (25-10-2012) “Reading Arabic. Legibility studies for the Arabic script” (Leiden University) (member of the opposition committee)
- Soghra Akbari Chermahini (25-11-2011) “Neural and cognitive mechanism of creativity” (Leiden University) (member of the manuscript & opposition committee)
- Sharon S. Zmigrod (09-09-2010) “Feature integration across multimodal perception and action” (Leiden University) (member of the manuscript & opposition committee)
- Laura M. E. Menenti (02-07-2010) “The right language. Differential hemispheric contributions to language production and comprehension” (member of the manuscript, opposition and cum laude committee)
- Andus Wing-Kuen Wong (May 2010) “Towards a model of Cantonese spoken word production” (The Chinese University of Hong Kong – Graduate School) (external assessment for doctoral thesis)
- André Keizer (18-02-2010) “The neurocognitive basis of feature integration” (Leiden University) (member of the manuscript committee)
- Nelleke C. van Wouwe (03-12-2009) “Cognitive control and binding in context-based decision-making. Normal and dopamine deviant populations” (Leiden University) (member of the opposition committee)
- Merel M. Pannebakker (03-12-2009) “Limitations in dual-task performance” (Leiden University) (member of the manuscript & opposition committee)

- Michiel Spapé (02-12-2009) "Back in control. The episodic retrieval of executive control" (Leiden University) (member of the manuscript & opposition committee)
- Els Severens (24-04-2008) "Was there an error? Self-monitoring and language comprehension" (Ghent University) (member of the examination committee)
- Jan-Rouke Kuikers (09-04-2008) "Semantic context effects in word production: The role of message congruency" (Leiden University) (member of the manuscript & opposition committee)
- Nomi Olsthoorn (29-11-2007) "The relationship between grammatical encoding and decoding. An experimental psycholinguistic study" (Leiden University) (member of the opposition committee)
- Esther van den Bos (06-06-2007) "Implicit artificial grammar learning: Effects of complexity and usefulness of the structure" (Leiden University) (member of the manuscript & opposition committee)
- Sven van Lommel (31-04-2007) "Word stress: The suprasegmental encoding in speech production" (Katholieke Universiteit Leuven) (member of the manuscript & examination committee)
- Marieke van Herten (07-09-2006) "Executive control of sentence perception. An electrophysiological investigation" (Radboud University, Nijmegen) (member of the opposition committee)
- Keren Shatzman (07-04-2006) "Sensitivity to detailed acoustic information in word recognition" (Radboud University, Nijmegen) (member of the opposition committee)
- Vincent van de Ven (27-01-2006) "Connectivity and auditory verbal hallucinations: Contributions of functional imaging and psychometric studies" (Maastricht University) (member of the manuscript & opposition committee)
- Oliver Müller (20-01-2006) "Retrieving semantic and syntactic word properties. ERP studies on the time course in language comprehension" (Radboud University, Nijmegen) (member of the opposition committee)
- Katharina Spalek (08-11-2005) "Storage and retrieval of lexico-syntactic properties in language production: The case of grammatical gender" (Radboud University Nijmegen) (member of the manuscript & opposition committee)
- Anke Hammer (30-06-2005) "Pronominal reference in sentences about persons of things" (Maastricht University) (member of the manuscript & opposition committee)
- Jochen Barth (09-06-2005) "Search and exploration of hidden objects by Great Apes and young children" (chairman; Maastricht University)
- Sanae Okamoto-Barth (09-06-2005) "Gaze processing in chimpanzees and humans" (chairman; Maastricht University)
- Astrid Storm Hammersted Breien (08-06-2005) "Determiner selection in speech production: Evidence from Norwegian" (University of Bergen) (external reviewer and member of the MA thesis examination)
- Member of the dissertation prize jury of the Netherlands Association of Applied Linguistics (Association néerlandaise de linguistique appliquée; Anéla) 2005
- Niko Kriegeskorte (14-10-2004) "Functional magnetic resonance imaging of the human object-vision system. Methodological and empirical contributions" (Maastricht University) (member of the opposition committee)
- Holger Mitterer (28-11-2003) "Understanding 'garden bench'. Studies on the perception of assimilated word forms" (Maastricht University) (member of the opposition committee)
- Heike Martensen (22-01-2001) "How does a word become a /w3:d/? The role of sublexical phonology in adult reading" (Nijmegen University) (member of the opposition committee)
