

# ROADMAP FOR PROGRAMME AUDITS

## WHY THE AUDIT IS TAKING PLACE

The Programme Board determines what it is teaching its students and which teaching methods will be used.

Once every six years, a panel of academics from the same discipline carries out a peer review of the quality of the education provided, based on four assessment criteria set by the Accreditation Organisation of the Netherlands and Flanders (NVAO).

## THE FOUR ASSESSMENT CRITERIA

**CONDITIONAL**

**NEGATIVE**
