

Are you a student at Leiden University, TU Delft or Erasmus University Rotterdam.

Register for your minor in three steps

Choose from over 200 minors at Leiden-Delft-Erasmus (LDE) in three easy steps.

1
Create your eduID (mandatory).

2
Browse eduXchange and decide which minor you want to do.

3
Register for your minor via eduXchange.

From March **STEP 1** **Create your eduID**

You need an eduID to register for a minor; you will not be able to do so without one. So first create your eduID at www.eduID.nl. This is a personal account for Dutch education and research.

Link your eduID to your own university. Only then will you be able to register for your minor at Leiden University, TU Delft and Erasmus University Rotterdam. The [video](#) shows you how to do this step by step.

If you are having trouble creating your account, send an email to help@eduid.nl.

Make a list of your top five minors. Then, if a minor is full, you can choose the next one on the list.

NOTE:

The application period for selection minors is in April, for non-selection minors in May.

3 April 2023 - 13.00 hrs

16 April 2023 - 23.59 hrs
