The INFORM workshop provides an exhaustive overview on the rights and obligations of the judiciary, legal practitioners and court staff in light of the new EU data protection legislation. This INFORM day presents to the general public possible approaches and methodologies that were proposed for adoption by the aforementioned actors and can be adopted by the public. Parallel workshops are held in Brno, Nicosia, Montpellier, Bratislava, Sofia, Gottingen, Budapest, Wroclaw and Florence.

This project is funded by the EU. This document has been produced with the financial support of the Justice Programme (2014-2020) of the European Union.
