6. Software and Hardware

- 6.1 The organization of the Children’s Rights Moot Court will provide the online platform where the sessions will be held and all necessary instructions for its use. We anticipate that the competition will run on the Zoom platform and that all participants will be required to be on camera.
- 6.2 All teams are responsible for ensuring that they have access to software and hardware, including a stable internet connection that enables them to properly participate in the Competition.

7. Presentation of the Online Oral Arguments

- 7.1 Each team shall prepare an oral argument for the Applicant and an oral argument for the Respondent, to be presented in a virtual moot court setting. The Competition will be conducted in English. Each team shall participate in four (4) sessions of the preliminary rounds: twice as Applicant and twice as Respondent. During each session of the preliminary rounds, two team members shall present the team’s oral argument for the Applicant or for the Respondent.
- 7.2 During the online rounds for oral arguments, all team members (and eventual coaches) shall be present in the sessions in which their team is pleading.

- 7.3 The oralists may sit or stand when making their submissions. The oralist speaking must ensure that his/her name, team number and role are properly displayed during the online session and shall configure his or her camera to permit the judges to observe his or her face. The oralist is not permitted to share his or her screen or present any other text or written materials at any stage or record the session. Team members and coaches may not directly or indirectly indicate their country or university of origin to the judges, including through the display of screen names, the wearing of name tags, pins, logos, or other signifiers, or the placement of folders, files, library books, or other materials identifying their university or country in such a way as may be visible to a judge.

Failure to keep within these limitations shall be taken into account by the Bench judging the session.
- 7.7 Per session each team (Applicant and Respondent) shall be allowed a total of forty - five (45) minutes to present its oral argument, including the time needed to answer any questions which may be put to it by the Judges and including the time for the rebuttal or surrebuttal. No more than ten (10) minutes of the allocated time (45 minute) shall be reserved for rebuttal or surrebuttal.
- 7.8 Per session no team member shall speak for more than twenty-five (25) minutes in total.
- 7.9 Extension of team time beyond forty-five (45) minutes shall be within the discretion of the Judges and at the request of the oralist. In no case shall a team have more than five (5) minutes beyond the total time allocated for presentation. As of fifty (50) minutes of total presentation time for a team, the Host will alert the oralist and the panel that the total time has commenced. No additional time will be allotted to any team who has hit fifty (50) minutes in total.
- 7.10 No oral or written communication may take place between the team member presenting the oral arguments, rebuttal or surrebuttal and his or her fellow team members or the coach(es) during the session. This does not, however, preclude a counsel from taking a treaty or similar document from the team table when the counsel has been questioned about such a document.
- 7.11 Teams will be informed (via competition website) of the schedule of the on-line competition by Monday 5 June 2023. Due to the international nature of the competition, oral competitions will take place "around the clock" and teams should be prepared to participate outside standard working hours in their market. However, every effort will be made to avoid undue strain.
- 7.12 Teams will receive the Opponent's Memorials no later than Monday 5 June 2023.
