### Faculty of Science

#### Lustrum Symposium 'Science Matters'

On the 18th of March the Faculty of Science celebrates its fundamental research. Students, staff and alumni are invited to explore groundbreaking research in the lustrum symposium 'Science Matters'. The symposium explores the impact of our fundamental research for the society of the future.

Friday 18 March 2016

Time: 12.00 – 19.00 hrs.

Location: Gorlaeus Laboratoria, Leiden University

To register, visit [leidenscience-200.com](http://leidenscience-200.com)

### Chemistry and Life Science & Technology

#### Meet the mentor program

The MSc programmes Chemistry and Life Science & Technology invite you to their biannual presentation of research topics in the Leiden Institute of Chemistry. Students, mentors and PhD students will be present this afternoon to inform you about their research and the possibilities within the institute.

Thursday 24 March 2016

Time: In the afternoon. Exact time to be announced

Location: Entrance Hall Gorlaeus Laboratoria, Leiden University

To register, visit [mastersinleiden.nl/programmes/chemistry](http://mastersinleiden.nl/programmes/chemistry)

**Universiteit  
Leiden**

## Bio-Pharmaceutical Sciences Spring Symposium (LACDR)

During this symposium one PhD per division presents his or her research in full during the LACDR PhD Competition. Additionally, all current PhD-students will present a scientific poster. This is a unique opportunity to get informed about the research possibilities within the institute.

Tuesday 24 May 2016

Time: In the afternoon  
(exact time to be announced)

Location: Gorlaeus Laboratoria, Leiden University

## Astronomy Taster Day

Are you fascinated by astronomy? Then take a sneak preview of life as a master's student at Leiden Observatory. You will follow a course on Astrochemistry by world-renowned astronomer Ewine van Dishoeck, get a tour of the building and have lunch with current master's students who are happy to share their study experiences with you.

Tuesday 31 May 2016

Time: 10.45 – 14.15 hrs.

Location: J.H. Oort building, Leiden University

To register, visit [mastersinleiden.nl/programmes/  
astronomy](http://mastersinleiden.nl/programmes/astronomy)
