Introduction Marja Spierenburg

Inequality – Tutorial

Brief round of introductions

What are tutorials?

Inequality – Tutorial

Discussion in small groups 15-20 minutes:

- Inequality in your own immediate surroundings
- Related news items

Questions to be addressed:

- What types of inequality do your examples address?
- Can you think about examples in which patterns of spatial and social inequality overlap?

Inequality – Tutorial

Report back to the plenary session:

- What examples were discussed in your group?
- How do they relate to the questions?

Inequality – Tutorial

Interactions between inequality

Intersectionality explained
