

Curriculum Vitae of Marja Oudega

Full name: Maria Hendrika Oudega

Date of birth: February 10, 1981

Place of birth: Assen, the Netherlands

Telephone: +31 71 572 6180

Email: m.h.oudega@fsw.leidenuniv.nl

Academical details

- 2012 - Oct 2016 PhD candidate at Leiden University.
Topic: *Keeping track of comprehension: The role of standards of coherence in comprehension*. Supervisor: Professor Paul van den Broek
- 2012 - 2016 Lecturer at Leiden University, Pedagogical sciences.
Courses and thesis supervision at BA and MA level, including *Methods in eye tracking research*.
- 2013 - 2015 Coordinator of the Eye tracking lab at the Brain and Education laboratory (www.brainandeducationlab.nl)
- 2009 - 2011 Research master Linguistics, Utrecht University. Main subjects: Semantics and discourse processing. Thesis title: *How Default is Causality-by-Default? An eye tracking study towards inferencing causalit*. Supervisor: Professor Ted Sanders
- 2006 – 2009 Bachelor Linguistics, Leiden University (cum laude). Thesis title: *A mother-daughter machine for the development of language. A computational model*.

Academic publications

- van den Broek, P., Beker, K., & Oudega, M. (2015). Inference generation in text comprehension: Automatic and strategic processes in the construction of a mental representation. In O'Brien, Cook, & Lorch (Eds.) *Inferences during reading*. Cambridge University Press
- Yeari, M., Oudega, M., & van den Broek, P. (submitted). The effect of text highlighting on processing of central and peripheral text information: Evidence from eye movements. *Cognition and Instruction*

Yeari, M., van den Broek, P., & Oudega, M. (accepted). Processing and memory of central versus peripheral Information as a function of reading goal: Evidence from eye movements. *Reading and Writing*

International presentations

2014 25th Annual Meeting of the Society for Text & Discourse, Chicago, USA
Poster title: *Reading processes and cognitive load: The influence of individual differences in reading skill and working memory capacity*

2013 24th Annual Meeting of the Society for Text & Discourse, Valencia, Spain
Poster title: *Cognitive control during reading comprehension in adolescent readers: The effects of social pressure and educational level*

Presentations in the Netherlands

2014 Institute for the Study of Education and Human Development (ISED research days) Amsterdam. Poster
Leiden Institute for Brain and Cognition. Poster

2013 Language And Cognition Group Leiden. Spoken: *Standards of Coherence: inferences and cognitive load*

2012 Experimental Linguistics Talks Utrecht. Spoken: *Standards of Coherence: inferences and working memory*
