- 2003 - 2005 Postgraduate accreditation Educational psychology, NVO accreditation 2005; reaccredited 2016.
- 2000 - 2006 Research training at the Rudolph Magnus Graduate School of Neuroscience, Utrecht, The Netherlands. Certified 2006.
- 2000 - 2003 Postgraduate training and registration as GZ-psychologist, accredited 2003; reaccredited 2016).
- May 1998 Trainers Course: Autism Diagnostic Interview-Revised (ADI-R), Institute of Psychiatry, Maudsley Hospital, King's College London, UK.
- May 1997 Trainers Course: Autism Diagnostic Observation Schedule (ADOS), University of Chicago, USA.
(Booster training ADOS-2, Toddler training and recertified 2013).
- May 1996 Autism Diagnostic Interview-Revised (ADI-R) training, Institute of Psychiatry, Maudsley Hospital, King's College London, UK.

PROFESSIONAL POSITIONS AND EMPLOYMENT

- 2017 - present Professor by special appointment at the University Leiden, Faculty of Social and Behavioural Sciences, department Education and Child Studies.
- 2010 - present Lecturer RINO Group within the postgraduate program for GZ-psychologists.
- 2002 - present Child and adolescent (educational) psychologist, Department of Child and Adolescent Psychiatry, UMC Utrecht, The Netherlands.
- 1996 - 1998 Child and adolescent (educational) psychologist, part-time associate in a private practice, Buren, The Netherlands.
- 1995 - 2002 Research assistant, UMC Utrecht, The Netherlands.

PROFESSIONAL ASSOCIATIONS

- 2012 - present Chair of the board of "Stichting Nour": a non-profit foundation focusing on sharing knowledge to improve care and education for children with autism and developmental disorders in Morocco.
- 2009 - present Founder and advisor of the foundation "Spreekt voor zich": a non-profit foundation for the development and management of a blended-care cognitive behavioural therapy programme.

INSTITUTIONAL SERVICE

- 2016 - present Member of the team "Sensory information processing in children with autism and other developmental disorders", responsible for the collection of neurocognitive data and supervisor of the clinical and research psychologists.

- 2016 - present Collaborator in the interdisciplinary working group "Positive health in children" (a group developing a tool that can be used to discuss health status with children), focussing on suitability of the tool for children with mental disorders.
- 2016 - present Member of the Developmental Disorders Research Team for principal investigators of the Brain Centre UMCU and the Faculty of Social and Behavioural Sciences of the University of Utrecht.
- 2013 - 2017 Member of the Medical Ethical Review Board, UMC Utrecht, The Netherlands.
- 2013 - present Project leader of the working group "Sharing knowledge: from the genetic lab to the patient", Academic Center for Autism "Reach-Aut".
- 2013 - 2017 Collaborator in the interdisciplinary working group "Resilience and vulnerability to linguistic adaptation and school functioning in first generation migrant children", focussing on the neuropsychological functioning of the children.
The research findings led to the adoption of a motion in the House of Representatives to extend educational support for immigrant children from one to two years (June 7, 2016). <http://iturl.nl/sngw4>.
- 2011 - present Member of the Innovation working group, Department of Psychiatry UMCU.
- 2011 Representative of the Utrecht region at the Autism Speaks collaborative meeting on the Global Autism Public Health (GAPH) initiative in the Netherlands.
- 2006 – present Frequently reviewed manuscripts for international peer reviewed journals, for example *Journal of Child Psychology and Psychiatry*, *Journal of Autism and Developmental disorders*, *Autism*, *Autism Research*.

MEMBERSHIPS AND COLLABORATIONS

- Collaborator in a project of Autism Speaks "The Global Autism Public Health Initiative", Principal Investigator on the Caregiver Needs Survey Study in Morocco.
- Member of the International Genetic Study of Autism Consortium (IMGSAC).
- Member of the International Autism Genome Project (AGP) consortium.
- Member of the European Innovative Medicines Initiative (IMI) consortium.
- Member of the steering committee for the organization of ADOS en ADI-R training courses in the Netherlands.
- Member of the "Academic Center for Autism "Reach-Aut".

TEACHING AND MENTORING

- 2011 - present Teaching within the postgraduate programme 'GZ-psycholoog', RINO Group, Utrecht.
- 2002 - present Teaching psychiatry modules to graduate students of the medical department UMCU.

- 1998 - present Teaching and mentoring ADI-R or ADOS trainees and trainer-trainees.
National courses in Utrecht, Amsterdam, Eindhoven, Nijmegen, Assen, Ede.
International courses:
- London, UK, IoP, Maudsley Hospital, King's College, 2000 and 2004.
 - Oxford University, UK, 2006.
 - Kuala Lumpur, Malaysia, UKM Medical Center, 2011.
- 1998 - present Mentoring and supervision PhD students, postgraduate students and graduate students, Department of Psychiatry, University Medical Centre Utrecht (UMCU).
- April 2015 In-service training NHTV Breda University of Applied Sciences, in cooperation with Saskia Palmen: "Autism spectrum disorders at higher education".
- 2012, 2014 SIG courses Vlaanderen: "Treatment of selective mutism."
