

Short CURICULUM VITAE

Fenna Hendrika Poletiek

Languages:

Dutch and French (Native)

English (Fluent)

Spanish (Good)

German (Fair)

Education:

- 1967-1970 Primary school : École Primaire Edmond Rostand ; Amiens, France
- 1970-1975 High School : Lycée d'État, Amiens, France
- 1975 Gymnasium bêta, Drachten, NL
- 1986 Master degree in Pyschology, Rijksuniversiteit Groningen
Minor: Philosophy and Logic of Science
Master thesis: *Judging legal responsibility of mentally ill*. Director: prof. dr W.K.B. Hofstee
Internship 1: 'Depression and Unemployment' research: director prof. dr W. Schaufeli
Internship 2: Neuropsychology department of the University Hospital Groningen
- 1992 PhD degree at the department of Methods in Psychology at the University of Amsterdam: *A theoretical and empirical study on hypothesis testing behaviour.*: Director: prof. dr G. Mellenbergh

Positions:

- 1992-1993 Assistant professor at Tilburg University, Department of Humanities; teaching statistics and methods of research.
- 1993-1995 Assistant professor at the University of Leiden; teaching cognitive psychology and decision making.
- 1995-1997 Senior researcher at the National Institute for mental Health. Project on the *Decision Strategies of Psychiatrists and Judges regarding Coercive Hospitalization of Mentally ill*
- 1997- Fellow of the Netherlands Royal Academy of Arts and Sciences (KNAW - Koninklijke Nederlandse Akademie van Wetenschappen) Academy

- Researcher's grant, at Leiden University on '*Learning Complex Language Structure*'.
- 2003- Assistant professor at the Cognitive Psychology Unit. Leiden University.
- 2019- Senior Investigator at the Max Planck Institute of Psycholinguistics, Nijmegen.
Neuro- Biology of Language Group
- 2019- Visiting Professor at the Institute of Neuroscience, Medical School, Newcastle University, UK.
- 2016- Member of the scientific committee of the Institute of Psychology at Leiden University and Elected member of the University Council.

Memberships:

- Full member of the Psychonomic Society
- Full member of the European Society for Cognitive Psychology
- Full member of the Society Judgement and Decision making
- Full member of the Netherlands Society for Psychonomics
- Full member of the Graduate Research Institute of Experimental Psychology

Fund raising and grants (+/- €1M)

- 2020- Under review: Grant in the Open Competition funding Program 2020 NWO. €800.000
- 2020- Grant from FNV (Dutch Federation of Unions. Research project on the behavioral effects of a Basic Income. €85.000
- 2019- Personal travel and visit grants from The Institute of Neuroscience Newcastle, UK, €6000
- 2012-2018 Personal travel and short visit grants from the Max Planck Institute of Psycholinguistics. €20.000
- 2003-2013 PhD project on Grammar induction from the Netherlands Organization for Scientific Research N W O PhD student: Jun Lai. € 260.000
PhD project on Grammar induction, Internal Competition University Leiden. PhD student: Esther van den Bos. €260.000
PhD project on Legal decision making, University Leiden. In cooperation with the Meijers Institute for Legal Studies. PhD project. Not completed by student. €100.000
- 1997-2002 Postdoc Fellowship of the Royal Netherlands Academy of Arts and Sciences (KNAW), on Grammar Induction. €260.000
- 1998 Publication grant NWO for the monography: 'Hypothesis testing behaviour'

(published at Tailor & Francis, 2000, UK).

€10.000

Awards:

- 1989 'Top 3 best paper of 1988' of the Maandblad voor Geestelijke Volksgezondheid MGv.
- 1998 'Schloessmann Award for outstanding research paper', Max Planck Institute, Berlin.

Other professional activities:

- 2006-2013 Member of the National Experts group of Cognitive and Clinical Psychologists for Special Cases of Sexual Crime (Landelijke Expertise groep Bijzondere Zedenzaken)
- 2004- Editor of 'de Psycholoog'
- 1987-1992 Editor of 'Psychologie en Maatschappij'
- 1990 Visit of the Laboratory for Decision Research, University of Chicago
- 1994 Columnist of 'De Psycholoog'

Reviewing for:

Journals

Quarterly Journal of Experimental Psychology

Acta Psychologica

British Journal of Psychology

Journal of Behavioural Decision making

Cognition

Journal of Experimental Psychology

Journal of Psychology and Language

Journal of Experimental Psychology

N W O _ selection committees for personal VIDI grants (€800.000).

Selected visits and invited lectures:

- 2002 "Small group meeting on Cognition as Sampling", Hosts: Prof. Dr Peter Juslin and Prof. Dr Klaus Fiedler.
- 2002 visit to Prof. Dr Peter Juslin, University of Umea, now at Uppsala University, Sweden.

- 2004 to Prof. Dr Nick Chater, Prof. of Cognitive and Decision Sciences, University College London-
- 2006 to Prof. Dr Pierre Perruchet, Director CNRS laboratoire de Psychologie Cognitive, Université de Dijon, France
- 2010 invited by Prof. Dr T. Fitch (“ ERP advanced grant” holder, University Vienna) for the workshop on new methods for studying recursion learning, at the Max Planck Institute for Psycholinguistics. Invitation funded by ERC.
- 2012 Invited speaker in the Lorentz Center Workshop, on *Development in Childhood and Adolescence* January 9-13, 2012, financed by the Lorentz Centre, Leiden.
- 2013 Invited participant in workshop on *Artificial Grammar Learning: Learnability, Complexity and Meaning*, Tübingen, Germany
- 2013 August-December: *Honorary Fellow* at the Department of Psychology, Cognitive Neuroscience of Language Lab (Prof. M. McDonald and Prof. M. Seidenberg) at the University of Wisconsin, Wisconsin, USA
- 2011-2015 (various periods of 2 to 4 months) Associate Researcher at the Max Planck Institute of Psycholinguistics, Nijmegen
- 2015 Invited participant at the Lorentz Center Workshop (Organizers Prof. M. Christiansen, Cornell University; Dr Stefan Frank University Nijmegen; Dr. Karl Magnus Petersson, MPI, Nijmegen), on *Reappraising the role of linear structure in language*.
- 2015 Invited Keynote lecture at the *Workshop on language acquisition*, Tübingen, University of Tübingen, 10 December 2015
- 2016 3-months visit of prof dr Michael Frank, Stanford University, USA, Language and Cognition Lab.
- 2018 Invited talk at SCALAB, University Lille, France
- 2019 Invited presentation at MPI Leipzig, Germany, prof dr dr Angela Friederici
- 2019 Invited lecture at the Institute of neuroscience, the Medical School, Newcastle University

Educational Impact of Research:

Research incorporated in international text books:

- Groome (2015), *Cognitive Psychology*, New York: Routledge
 - Eysenk & Keane (2005) *Cognitive Psychology*, Hove: Psychology Press.
- My research (Poletiek, 1996) is a Key Experiment in the Special Course Materials (“*Simulated Key Experiment*”) associated with the Eysenk & Keane text book.

- *Decision Making*, Newell et al, 2015. Advisor and reviewer for the second edition (2015).
