Scopus Author ID: 8854245100

Research Gate profile: https://www.researchgate.net/profile/Henriet_Van_Middendorp

Postal address

PO Box 9555

2300 RB Leiden, The Netherlands

Current position

2014 – current: Associate professor of Health Psychology, Leiden University (tenure; 0.9 fte)

Previous positions

2010 – 2014: Senior researcher Medical Psychology, Radboud university medical center (0.8 fte)

2010 – 2011: Senior researcher Psychorheumatology, University Medical Center Utrecht (0.2 fte)

2007 – 2010: Assistant professor, Department of Clinical and Health Psychology, Utrecht University (1.0 fte)

2008 – 2010: Vice-president of Research Institute for Psychology and Health (acknowledged by Royal Dutch Academy of Sciences) (0.3 fte)

2004 – 2007: Postdoctoral researcher, Department of Clinical and Health Psychology, Utrecht University (1.0 fte)

2000 – 2004: PhD student, Department of Clinical and Health Psychology, Utrecht University (1.0 fte; thesis defense: May 14, 2004)

Thesis: Emotion regulation in rheumatoid arthritis

Promotors: Prof.dr. L.J.P. van Doornen (Utrecht University) & Prof.dr. J.W.J. Bijlsma, MD (UMC Utrecht)

Co-promotors: Prof.dr. R. Geenen (Utrecht University) & Prof.dr. M.J. Sorbi (Utrecht University)

Pre-doctoral education

1994 – 1999: Psychology, specializations: Health Psychology & Developmental Psychology, Utrecht University
Clinical internship & Master thesis position: Wilhelmina Children's Hospital, Utrecht (external supervisor: Prof.dr. G. Sinnema; UU supervisor: prof.dr. R. Geenen)

Graduation date: August 31, 1999

1988 – 1994: Pre-university education, Apeldoorn

1980 – 1988: Primary education, Apeldoorn

Research

Co-promotor PhD-projects (finished or planned):

- November 25, 2019: Anneleen Berende, Radboudumc: “Persistent Lyme Empiric Antibiotic Study Europe (PLEASE) - A randomized controlled trial of prolonged antibiotic treatment in patients with persistent symptoms attributed to Lyme borreliosis”. Promotors: Prof.dr. B.J. Kullberg (Radboudumc, Internal Medicine & Infectious Diseases) & Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology); co-promotors: Dr. H.J.M. ter Hofstede (Radboudumc, Internal Medicine & Infectious Diseases) & Dr. H. van Middendorp (Leiden University, Health, Medical, & Neuropsychology)
- October 29, 2019: Aleksandrina Skvortsova, Leiden University: “Placebo effects and the endocrine system: the role of oxytocin”. Promotor: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology); co-promotors: Dr. D.S. Veldhuijzen & Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)
- June 20, 2018: Maaïke Ferwerda, Radboudumc: “Internet-based cognitive behavioural therapy for patients with rheumatoid arthritis. Promotors: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical & Neuropsychology) & Prof.dr. P.L.C.M van Riel (Radboudumc, Rheumatology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)
- April 18, 2018: Lieke Wirken, Radboudumc: “Psychosocial consequences of living kidney donation. From screening to intervention”, Leiden University & Radboudumc. Promotors: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical & Neuropsychology), Prof.dr. L.B. Hilbrands & Prof.dr. A.J. Hoitsma (Radboudumc, Nephrology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)
- May 10, 2017: Sylvia van Beugen, Radboudumc: “Psychodermatology 2.0. Towards Improved Assessment and Effective Internet-based Interventions Cognitive-behavioral E-health treatment in psoriasis”, Leiden University &

Radboudumc. Promotors: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical & Neuropsychology) & Prof.dr. P.C.M. van de Kerkhof (Radboudumc, Dermatology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

March 9, 2012: Marianne B. Kool, Utrecht University: “Understanding lack of understanding. Invalidation in rheumatic diseases”. Promotors: Prof.dr. R. Geenen (Utrecht University, Health Psychology) & Prof.dr. J.W.J. Bijlsma (University Medical Center Utrecht, Rheumatology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

Co-promotor PhD-projects (not yet finished):

Stefanie Meeuwis, Leiden University: Short-term effects of training immune responses in healthy subjects during health exposure. Promotor: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology). Co-promotors: Dr. H. van Middendorp & Dr. D.S. Veldhuijzen (Leiden University, Health, Medical, & Neuropsychology)

Judith Tekampe, Leiden University & Radboudumc: The role of pre-cortisol treatment in stress exposure and stress management: an innovative approach for affecting psychoneurobiological responses. Promotors: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology) & Prof.dr. A.R.M.M. Hermus (Radboudumc, Endocrinology)

Meriem Manai, Leiden University: Long-term effects of training immune and endocrine responses in patients with chronic inflammatory itch and pain conditions. Promotors: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology) & Prof.dr. T. Huizinga (LUMC, Rheumatology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

Judith Tommel, Leiden University: The effectiveness of tailored E-health self-management treatment for patients with end-stage renal disease: A randomized controlled trial. Promotor: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

Simone Meijer, Leiden University: Counterconditioning as treatment for chronic pain symptoms. Promotor: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

Fabian Wolters, Leiden University: Training the circadian rhythm: Conditioning of the cortisol awakening response. Promotor: Prof.dr. A.W.M. Evers; co-promotors: Dr. K.J. Peerdeman & Dr. H. van Middendorp (Leiden University, Health, Medical & Neuropsychology)

Hans van Lennep, Leiden University: Sensitization of physical symptoms and disease progression in rheumatic conditions: The role of expectancies and conditioning. Promotor: Prof.dr. A.W.M. Evers (Leiden University, Health, Medical, & Neuropsychology); co-promotor: Dr. H. van Middendorp (Leiden University, Health, Medical, & Neuropsychology)

Research grants (co-project leader or project member)

- 2019 **Dutch Diabetes Research Foundation**, Knowledge exploration Gender-sex differences and diabetes kennisverkenning (“Gender-sex differences and diabetes” (project member): € 65.000,- (2019-2020)
- 2018 **ZonMw Medical Inspirator Price (collaboration researchers and patient representatives)**, Lyme paralyzes lives (“Lyme legt levens lam”; project member): € 100.000 (2019-2021)
- 2016 **Dutch Kidney Foundation**, Systematic implementation of an eHealth self-management care protocol for kidney donors (co-project leader): € 99.400 (2017-2020)
- 2016 **Dutch Kidney Foundation**, The effectiveness of tailored E-health self-management treatment for patients with end-stage renal disease: A randomized controlled trial (co-project leader): € 260.000,- (2017-2021)
- 2016 **NWO Research talent**, Training the circadian rhythm: Conditioning of the cortisol awakening response (co-project leader): € 219.474,- (2016-2020)
- 2012 **Dutch Kidney Foundation**, E-health zelfmanagement screening en behandeling met E-coaching voor aanpassingsproblematiek en coping bij nierpatiënten (co-project leader): € 149.250,- (2013-2015)

- 2011 **Young Investigator Grant Radboudumc (NCEBP)**, The role of pre-cortisol treatment in stress exposure and stress management: an innovative approach for affecting psychoneurobiological responses (co-project leader): € 228.000,- (2012-2016)
- 2011 **ZonMw**, The role of patient participation in the development and evaluation of E-health care developments (co-project leader): € 88.435,- (2011-2013)
- 2010 **Dutch Kidney Foundation**, The development of a screening instrument and treatment protocol for kidney donors at risk for emotional and physical problems at the longer term (co-project leader): € 250.000,- + € 87.500 (amendment) (2011-2015)
- 2008 **Dutch Arthritis Foundation**, For “bitter” or worse: The significance of embitterment as a factor that impedes adjustment in patients with chronic rheumatic diseases (co-project leader): € 187.390,- (2008-2012)
- 2007 **Dutch Arthritis Foundation**, "Invalidation" of invisible disorders. The quantification and validation of a key issue in fibromyalgia and rheumatic diseases (co-project leader): € 144.150,- (2007-2011)
- 2004 **Dutch Arthritis Foundation**, Emotions as triggers of symptoms in patients with fibromyalgia and the modulating role of emotion regulation (co-project leader and postdoc on the project): € 178.319,- (2004-2007)

Active co-author on personal grants within research group

- 2018 **Dutch Arthritis Foundation**, special project within long-term research programme to **prof.dr. A.W.M. Evers**, Sensitization of physical symptoms and disease progression in rheumatic conditions: The role of expectancies and conditioning: € 60.000 per year (2019-2022)
- 2017 **NWO-Vici grant** for high potentials to **prof.dr. A.W.M. Evers**, Innovational Research Incentives scheme VICI grant, NWO Netherlands Organisation for Scientific Research, The power of expectations: Unraveling the role of nocebo effects in the sensitization of somatic symptoms: € 1.499.205 (2017-2021)
- 2013 **ERC Consolidator Grant** to **prof.dr. A.W.M. Evers**, “Empowering expectations for health and disease: Training of the immune and endocrine system”: € 1.981.009 (2014-2019)

Teaching

Basic University Teaching Qualification (BKO)

Obtained at Utrecht University, December 11, 2008

Bachelor education

Developed lectures and taught working groups within bachelor education Psychology, including the courses Stress, Health, and Disease (English & Dutch); Developmental psychology; Health psychology; Personality theory; Foundations in Psychological Diagnostics and Test theory

Supervised bachelor projects (group-based and individually)

Professional master education

Developed and offered lectures and working groups within professional master education Psychology, including the courses Innovations in eHealth care (English) and Interventions in somatic complaints

Supervised master theses, research internships, and literature theses

Research master education

Coordinator of English research master thesis and internship Clinical and Health Psychology at Leiden University

Coordinator of research master Clinical and Health Psychology internship/thesis intervention meetings

Lectures on rheumatic diseases and chronic pain in course Evaluating Interventions in Patients with Chronic Disease

Coordinated English research master thesis and internship Social and Health Psychology at Utrecht University

Mentored research master students Social and Health Psychology at Utrecht University

Developed, coordinated, and taught courses within English research master Psychological Health Research (as of 2008: Social and Health Psychology) at Utrecht University, Integrative Practicum I en II, research training, optional course

Postdoctoral education

Organized different courses, workshops, and lectures within postdoctoral education, e.g.. Introductory course of NCEBP (Nijmegen Center for Evidence-Based Practice), workshop 'Success factors and pitfalls of being a PhD-student' for interuniversity research school Psychology and Health.

Other teaching activities

Workshops for patients and experience expert course leaders of the Dutch Rheumatic Patient Association, Participation in educational activities Medicine and Biomedical Sciences Radboudumc

Managerial activities

Member of Admission Committee Research Master Psychology, Leiden University (2018 – current)

Member of Psychology Research Ethics Committee (CEP), Leiden University (2014 – current)

Member of Scientific Committee Health, Medical, & Neuropsychology unit, Leiden University (2014 – current)

Coordinator research meetings Health, Medical, & Neuropsychology unit, Leiden University (OLI), Leiden University (2017)

Chair of monthly research meetings (AOO), Radboud Expert Centre for Psychology & Medicine, Radboud university medical center (2013)

Member of research committee Medical Psychology, Radboud university medical center (2012 – 2013)

Vice-president of Research Institute for Psychology and Health (acknowledged by Royal Dutch Academy of Sciences) (2008 – 2010)

Registrations

Certificate Basic course Regulations and Organization for Clinical Researchers (BROK), Radboud university medical center, October 2011 (recertification April 5, 2017)

International and reviewer activities

Collaborations

Prof.dr. Regine Klinger (University Medical Center Hamburg, Germany); Prof.dr. Anu Realo (University of Warwick, UK); Prof.dr. James W. Pennebaker (University of Texas, Austin, Texas); prof.dr. Mark A. Lumley (Wayne State University, Detroit); prof.dr. José A.P. da Silva (University Hospital Coimbra, Portugal); dr. Isabel Lopez-Chicheri Garcia (University of Jaen, Spain); prof.dr. Winfried Rief (University of Marburg, Germany); prof.dr. Geert Crombez (Ghent University, Belgium).

February-March 2009: Work visit Wayne State University Detroit, Department of Psychology, prof.dr. Mark A. Lumley.

Reviewer activities for peer-reviewed international journals

Ad hoc reviewer for Acta Dermato-Venereologica; Annals of Behavioral Medicine; Annals of the Rheumatic Diseases; Arthritis Care & Research; British Journal of Health Psychology; Clinical Rheumatology; Cognition and Emotion; Emotion; European Journal of Pain; European Journal of Psychological Assessment; Health Psychology; Health Psychology Review; Journal of Health Psychology; Journal of Psychosomatic Research; Journal of Social and Clinical Psychology; Pain; Patient Education and Counseling; Psychology and Health; Psychosomatics; Quality of Life Research

Reviewer activities for scientific organizations

NWO Netherlands Organisation for Scientific Research: Research Talent Committee Behavior and Education 2018

NWO Netherlands Organisation for Scientific Research, Innovational Research Incentives Scheme: VENI committee MaGW Behavior and Education 2016

NWO Netherlands Organisation for Scientific Research, Innovational Research Incentives Scheme, MaGW Behavior and Education 2015

Abstract committee American Psychosomatic Society meetings

Member of opposition PhD defenses

January 27, 2012: Member of opposition at international PhD defense dr. Isabel Lopez-Chicheri Garcia, "Psychological adjustment to fibromyalgia", University of Granada, Spain

March 2, 2018: Member of assessment committee and opposition at PhD defense dr. Fernando Estevez-Lopez, "Fibromyalgia: Adapted, positive, and fit people. Breaking stereotypes!", Utrecht University, The Netherlands

September 25, 2018: Member of assessment committee and opposition at PhD defense dr. Melanie M. van der Ploeg, "The continuum of consciousness in cardiovascular stress research: An experimental expedition", Leiden University, The Netherlands

Memberships

American Psychosomatic Society (APS)

EULAR Psychology Study Group

International Society for Behavioral Medicine (ISBM)

Organization of symposia

- Chair** of paper session on Placebo effects in children at the 2nd official Society for Interdisciplinary Placebo Studies (SIPS) conference on placebo studies, Leiden 2019
- Van Middendorp, H.**, Schakel, L., Trost, Z., Hirsh, A.T., & Evers, A.W.M. (2018). *Bringing psychological interventions into the digital era*. 2018 meeting of the American Psychosomatic Society Meeting, Kentucky, USA. March 7-10 2018.
- Evers, A.W.M., **Van Middendorp, H.**, & VanDamme, S. (2011). *Old wine in new bottles: The role of cognitions and emotions in somatosensory sensations*. First ARPH Conference, Lunteren, The Netherlands. December 1-2, 2011.
- Lumley, M.A., Burns, J.W., Finset, A., **Van Middendorp, H.**, Zautra, A., Schubiner, H. (2010). *Emotion regulation and chronic pain*. 2010 Annual Meeting of the American Psychosomatic Society, Portland, USA. March 10-13, 2010.
- Luminet, O., Evers, C., & **Van Middendorp, H.** (2010). *Emotional regulation and health*. The Eighth Conference on Psychology & Health, Lunteren, The Netherlands. May 27-28, 2010.
- Van Middendorp, H.** (2010). *Fresh crop*. The Eighth Conference on Psychology & Health, Lunteren, The Netherlands. May 27-28, 2010.
- Evers, C. & Orobio de Castro, B., **Van Middendorp, H.**, & Thomaes, S. (2007). *The regulation of anger*. The (Non)Expression of Emotions in Health and Disease, Tilburg, The Netherlands. October 22, 2007.

International presentations (invited)

- Van Middendorp, H.**, Berende, A., Vos, F, Ter Hofstede, H., Kullberg, B.J., & Evers, A. (2019). *Expectancies as predictors of symptom improvement in patients with persistent symptoms attributed to Lyme disease (poster)*. 2nd official SIPS Conference on Placebo Studies, Leiden, The Netherlands. July 7-9, 2019.
- Van Middendorp, H.**, Van Beugen, S., Ciere, Y., Schakel, L., Visch, V., Kloppenburg, M., Lavrijsen, S.P., & Evers, A.W.M. (2018). *Empowering expectations for health and disease: Combining eHealth cognitive behavioral treatment with serious gaming*. 2018 meeting of the American Psychosomatic Society Meeting, Kentucky, USA. March 7-10 2018.
- Van Middendorp, H.**, Kox, M., Pickkers, P., & Evers, A.W.M. (2014). *The role of expectations in concentration/meditation training effects on the response to human endotoxemia*. International Conference of Behavioral Medicine 2014, Groningen, The Netherlands. August 20-23, 2014.

- Van Middendorp, H.,** Kool, M.B., Van Beugen, S., Evers, A.W.M., Denollet, J., Lumley, M.A., & Geenen, R. (2013). *Over half of patients with fibromyalgia have a Type D personality (poster)*. Annual European Congress of Rheumatology EULAR 2013, Madrid, Spain. June 12-15, 2013.
- Van Middendorp, H.,** Kool, M.B., Lumley, M.A., Van Beugen, S., Denollet, J.K., Evers, A.W., & Geenen, R. (2012). *High prevalence of Type D personality in fibromyalgia (poster)*. 2012 Annual Meeting of the American Psychosomatic Society, Athens, Greece. March 14-17, 2012.
- Van Middendorp, H.** & Evers, A.W.M. (2011). *Pain: In search of a 'Gold Standard' for use in neuromuscular disorders*. 184th ENMC international workshop: Pain and fatigue in neuromuscular disorders, Naarden, The Netherlands. May 20-22, 2011. (invited)
- Van Middendorp, H.,** Lumley, M.A., Houtveen, J.H., Jacobs, J.W.G., Bijlsma, J.W.J., & Geenen, R. (2011). *The impact of emotion-induced autonomic nervous system responsiveness on pain sensitivity in women with and without fibromyalgia*. 5th International Conference on the (Non)Expression of Emotions in Health and Disease, Tilburg, The Netherlands. October 23-25, 2011.
- Van Middendorp, H.,** Lumley, M.A., Jacobs, J.W., Bijlsma, J.W., & Geenen, R. (2010). *Physiological hyporeactivity to negative emotions predicts pain responses in fibromyalgia (poster)*. Annual European Congress of Rheumatology EULAR 2010, Rome, Italy. June 16-19, 2010.
- Van Middendorp, H.** & Geenen, R. (2010). *Emotions and emotion regulation in rheumatic diseases*. Eighth Conference on Psychology & Health, Lunteren, Nederland. May 27-28, 2010.
- Van Middendorp, H.,** Lumley, M.A., Jacobs, J.W., Bijlsma, J.W., & Geenen, R. (2010). *Physiological responsiveness to induced anger and sadness and its association with pain in women with and without fibromyalgia*. 2010 Annual Meeting of the American Psychosomatic Society, Portland, USA. March 10-13, 2010.
- Van Middendorp, H.,** Geenen, R., Lumley, M.A., Jacobs, J.W., & Bijlsma, J.W. (2009). *Pain reactivity to induced anger and sadness in women with and without fibromyalgia and the influence of emotion regulation*. 2009 Annual Meeting of the American Psychosomatic Society, Chicago, USA. March 4-7, 2009.
- Van Middendorp, H.** & Kool, M.B. (2009). *Overview research group*. Work visit Wayne State University, Detroit, USA. March 1, 2009. (invited)
- Van Middendorp, H.,** Lumley, M.A., Jacobs, J.W.G., Van Doornen, L.J.P., Bijlsma, J.W.J., & Geenen, R. (2008). *The pain-enhancing effects of anger and sadness in fibromyalgia. An experimental study*. Seventh Conference on Psychology & Health, Lunteren, The Netherlands. May 28-30, 2008.

- Van Middendorp, H.** (2007). *The impact of anger and emotion regulation on pain in fibromyalgia*. Fourth International Conference on The (Non)Expression of Emotions in Health and Disease, Tilburg, The Netherlands. October 22-24, 2007.
- Van Middendorp, H.,** Geenen, R., Van Doornen, L.J.P., Jacobs, J.W.G., Bijlsma, J.W.J., & Lumley, M.A. (2007). *Emotion regulation disturbances in female patients with fibromyalgia (poster)*. 2007 Annual Meeting of the American Psychosomatic Society, Budapest, Hungary. March 7-10, 2007.
- Van Middendorp, H.,** Geenen, R., Lumley, M.A., Jacobs, J.W.G., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2006). *Emotional awareness deficits in fibromyalgia: associations with physical and mental functioning*. 9th International Congress of Behavioral Medicine, Bangkok, Thailand. November 29 – December 2, 2006.
- Van Middendorp, H.,** Geenen, R., Sorbi, M.J., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2006). *Psychological, clinical, and physiological effects of home-based emotional disclosure in rheumatoid arthritis*. Sixth Conference on Psychology and Health, Kerkrade, The Netherlands. May 8-10, 2006.
- Van Middendorp, H.,** Geenen, R., Sorbi, M.J., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2005). *Psychological, clinical, and physiological effects of home-based emotional disclosure in rheumatoid arthritis*. American Psychosomatic Society Meeting, Vancouver, Canada. March 1-5, 2005.
- Van Middendorp, H.,** Geenen, R., Sorbi, M.J., Hox, J.J., Vingerhoets, A.J.J.M., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2003). *Sex differences in relationships between styles of emotional functioning and health status in patients with rheumatoid arthritis (poster)*. Third International Conference on The (Non)Expression of Emotions in Health and Disease, Tilburg, The Netherlands. October 19-21, 2003.
- Van Middendorp, H.,** Geenen, R., Sorbi, M.J., Vingerhoets, A.J.J.M., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2002). *Associations between habitual styles of expression of emotions and health status in patients with rheumatoid arthritis*. 7th International Congress of Behavioral Medicine, Helsinki, Finland.
- Van Middendorp, H.,** Geenen, R., Sorbi, M.J., Vingerhoets, A.J.J.M., Van Doornen, L.J.P., & Bijlsma, J.W.J. (2002). *Associations between habitual (non)expression of emotions and health status in patients with rheumatoid arthritis*. Fourth Dutch Conference on Psychology and Health, Kerkrade, The Netherlands. May 13-15, 2002.

Invited lectures and workshops

E.g., Patient participation workshop Dutch Clinical Research Foundation Ede 2019,
Symposium Immunology Study group Medical Psychology Amsterdam 2016, Colloquium
Clinical and Medical Psychology Tilburg University 2014, RondReuma Congress 2010 & 2004,
Volunteer day Rheumatic Diseases Patient Association 2009 & 2007, Study day PsyQ 2008,
Scientific Circle Tilburg (2007)

Memberships

Research schools and institutes

Dutch-Flemish research school Experimental Psychopathology (EPP, senior member since 2011)

Nijmegen Centre for Evidence Based Practice (NCEBP, 2010 – 2014)

Psychology and Health (P&H, junior member 2000 – 2004, postdoc member 2004 – 2007, senior member 2007 – 2010)

National memberships

Association for Researchers in Psychology and Health (ARPH)

Leiden Institute for Brain and Cognition (LIBC)

Dutch Society for Rheumatology (NVR)

Working group Social-Scientific Research in Kidney Diseases (SWON)

Board memberships

Dutch Behavioral Medicine Federatie (NBMF) (December 2012 – current)

Deputy director Research Institute Psychology and Health (P&H) (2008-2010)

Social-Scientific Research in Rheumatic Conditions (SWORA, 2001 – 2005)

Editorial board memberships

Psychologie & Gezondheid [Psychology & Health] (2007 - 2011)

Newsletter Radboud Expert Centre Psychology & Medicine (2012 – 2013)

Awards

- 2018 Best PhD-Dissertation 2017 Award for dr. Sylvia van Beugen at 7th Association for Researchers in Psychology and Health (ARPH) conference, for PhD thesis “Psychodermatology 2.0. Towards Improved Assessment and Effective Internet-based Interventions Cognitive-behavioral E-health treatment in psoriasis” (co-promotor)
- 2016 Herman Musaph Award for best psychodermatology publication in past 2 years for Sylvia van Beugen at symposium of Dutch Society for Psychodermatology, for the publication “Van Beugen, S., Ograczyk, A., Ferwerda, M., Smit, J.V., Zeeuwen-Franssen, M.E.J., Kroft, E.B.M., De Jong, E.M.G.J., Zalewska-Janowska, A., Donders, A.R.T., Van de Kerkhof, P.C.M., Van Middendorp, H., & Evers, A.W.M. (2015). Body Attention, Ignorance and Awareness Scale (BAIAS): Assessing relevant concepts for physical and psychological functioning in psoriasis. *Acta Dermato-Venereologica*, 95, 444-450” (co-promotor)
- 2013 Essay Prize for Sylvia van Beugen at 15th Congress of the European Society for Dermatology and Psychiatry (ESDaP) in Roskilde, Denmark, for our study entitled “Implicit tendencies regarding stigmatization in psoriasis patients” (co-promotor)
- 2010 Award for best presentation for Linda van Ooijen at Najaarsdagen Reumatologie (Dutch Society for Rheumatology), for our study entitled “Good and bad combinations of processing and regulation of emotion in fibromyalgia”
- 2007 Award for best presentation at Najaarsdagen Reumatologie (Dutch Society for Rheumatology), for my study entitled “Emotions and the processing and regulation of emotions in women with fibromyalgia”
- 2006 Nomination for ‘Rheuma award 2006’ (best PhD research) of the Dutch Arthritis Foundation
- 2005 Young Scholar Award, American Psychosomatic Society

Publications

Total number of international publications (commentaries not counted): 85; average impact factor international publications (IF): 5.23; ResearchGate-score: 39.56; H-index: 28; i-10 index: 51; 2667 citations (Google Scholar, September 2019)
