

Transfer students - Exemption Request Form

All the boxes in this form must be filled out. Note, you can fill out the form in Dutch or English.

If it is necessary to fill out more than one course from your current University to prove you have achieved the learning objectives for one specific course at Leiden University, fill in the information for each of the courses from your current University on a separate page. Do not fill in the information for multiple courses in one box!

If you are requesting exemptions for multiple courses at Leiden University, you will need to fill out a separate form for each course at Leiden University.

Make sure to rename this form before submission: [your last name].[Course name]

Course name Leiden University

Learning objectives Leiden University

Reading list Leiden University

Link to Prospectus Leiden University

Course name current University

Credits current University

Level current University

Date course completed

Learning objectives current University

Reading list current University
