

Online Open Days

30 and 31 October 2020

Watch a presentation about a degree programme. Visit the online information market. Chat with students and lecturers from your favourite programme(s). All without even having to leave your home. At the Leiden University Online Open Days you'll learn all – yes all – about our more than 50 Bachelor's programmes in Leiden and The Hague. With so much choice, you'll be sure to find a programme that suits you. Want to find out about more practical matters? Such as admission requirements, housing or tuition fees? Or are you curious about student life in Leiden or The Hague? No question will go unanswered! We're ready for your future.

30 October: 14:00 – 20:00 hrs.
31 October: 9:30 – 17:30 hrs.

What can you expect?

Programme presentations

Want to know more about a particular programme? In the programme presentations you'll find answers to questions about what subjects there are, what job you can do after you graduate, whether the programme matches your subject cluster and so on. You can also watch presentations about choosing a degree programme, studying, the city and student life. Questions? Ask them straight away online. For a list of the programme presentations see www.universiteitleiden.nl/opendays

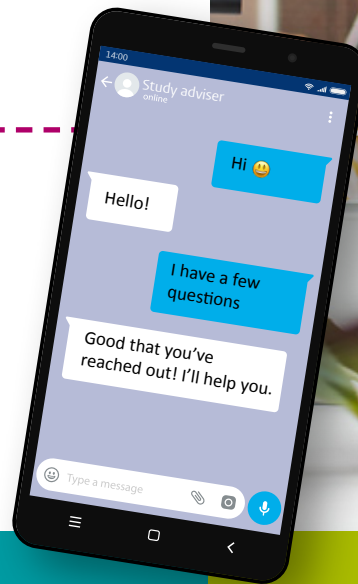

Information market

At the information market you'll find virtual stands for all the different programmes in Leiden and The Hague. Delve deeper into your favourite programme! Or find information on non-study-related matters: Leiden University Sports Centre, housing, introduction weeks and student associations, for instance. You'll be able to watch videoclips, download brochures, ask questions during the live Q&A and chat with students.

Chat with students and staff

Curious about what it's like to study at Leiden University? Ask our students! Got more general or programme-specific questions? Ask our lecturers and study advisors. No question will go unanswered!

Free time between presentations?

Check out which presentations are going on in the 'Now Live' section. You might find a programme you would never have considered otherwise. Life is full of surprises!

Take a virtual tour

Get to know our cities and student life from home! Explore not just the cities of Leiden and The Hague but our campus and classrooms too in one of our virtual tours. You'll see exactly what your future lecture rooms look like!
