Discover the world at Leiden University

Open Day
22 February 2020

Watch a presentation about a degree programme, visit the information market, talk to students and lecturers from your favourite programme(s)... These are just some of the options at the Leiden University Open Day. All the activities at the Open Day are in the centre of Leiden and within walking distance of each other, giving you a good opportunity to get your bearings. Do be aware that you won’t be able to visit all of our faculties. But you will be able to gain a good impression of the more than 50 programmes that the University has to offer in Leiden and The Hague.

Programme presentations
9:00 - 17:15 hrs.
Different locations: see list on the back

What to know about a particular programme?
The programme presentations will give you the answers to such questions as what subjects there are, what study and career opportunities you will have after graduation and whether the programme matches your subject cluster. There are also programme presentations about choosing a degree programme, ranking the city and student life for a summary of the programme presentations, see back of this booklet.

Information market
9:00 - 17:00 hrs.
Pieterskerk

Students, lecturers and study advisors will be manning the stands for the different faculties, study programmes and student associations at the Faculty.
