Host University: Leiden University

Main Research Field (drop-down list): 12 Medical Sciences

Specified field, subject: Physiology, Biomedical Sciences, Medicine, Health

Research project title: Research projects in: Biomedical Research

Possible starting month(s):

*The exact starting and end dates will be discussed between the supervisor and the student.*

Possible duration in months:
Minimum: 3 months (preferably 5 months)
Maximum: 2 semesters

Suitable for students in: ☒ Bachelor level  ☒ Master level

Prerequisites:
- Minimum GPA 3.2 out of 4
- Students need to have practical experience in laboratory work, preferably related to the field of (Bio) Medicine. Advanced undergraduate education: majoring in Biomedical Science, Pre-Med, Medicine, Biology or closely related field.

Description:
The research areas which determine the LUMC profile are:
- Immunology & Transplantation
- Haematology
- Genetics
- Epidemiology & Bioinformatics
- Vascular Medicine
- Neuroscience
- Infectious Diseases
- Ageing
- Regenerative medicine
The Leiden University Biomedical Center offers the possibility for a junior research project within an ongoing research project.

Students must indicate clearly their field of interest on the project agreement form (max. 3 fields). The projects are listed on the LUMC website.

**Faculty:** Medicine / Leiden University Medical Center

**Faculty Department:** Leiden University Medical Center

**Deadline for nomination to reach host university:**
1 April or else 1 October.

Please note: Due to the COVID-19 situation and measures taken, we expect to offer this project again per Fall 2021. However, the project might be cancelled if empirical research in the institute is impeded by COVID-19.

**Notification of admission given by the end of:**
Approximately 6 weeks after receipt of the application.

**Additional information:**
The duration of a project is usually 5 - 9 months. The start of such a placement depends on the availability of a research position in a particular project and will be determined between the student and the placement coordinator after acceptance.

**Contact person:**
Ms. Usha Mohunlol - Student and Educational Affairs - Coordinator LERU STREAM
