YOUR MISSION?

The Devogame, a challenge for innovative students is ready for its international take off on FutureCamp! This year, help Jana protect and secure her revolutionary project sought-after by hackers. This European challenge (France, Germany, Belgium & Netherlands) gives you the opportunity to take up a digital and innovative challenge.

HOW TO REGISTER?

1. Create a two to six-person team.

2. Go to the website http://devogame.devoteam.com

3. Protect Jana’s project by completing the virtual game and accessing the final mission.

4. Take part in the European final and try to win your trip for the next 2018 CES in Las Vegas!

With the support of our partner redhat.
